

HB 482 FAV

Seth Lipko

1121 Nottingham Dr.

Glen Burnie MD, 21061

District 32

Rules and Executive Nominations Committee,

I am writing to express my support of HB0482, a very well-structured and principled update to the guidance in future redistricting approaches in this state. It embodies logic, equality, and other moral values in its guidance for future commissions, to ensure people of all views have a shot at being represented at the federal level.

In contrast, HB488 is childish partisanship attempt at gerrymandering the minority into silence. HB482, without contest, is the only sensible solution.

Thank you for your attention in this matter and for your public service in the General Assembly. I encourage you to make wise decisions in these matters.
