

Dear Members of the Rules and Executive Nominations

My name is Lisa Fuller. I am a resident of District 15. I am submitting this testimony in support of HB 488.

I am the 2nd Vice President of the Montgomery County Women's Democratic Club and the Founder of Indivisible MoCoWoMen.

I have been following the MD redistricting debate for months.

And I've seen what GOP states are doing to rig the midterms.

The David Kunes has many upgrades to the current map. It strengthens community representation, particularly for water-based communities. As a member of the MD Indivisible Coalition, the Eastern Shore representatives have spoken a lot about this. They are in support of the new map as well.

I respectfully urge this committee to return a favorable report on HB 488

During this National Crisis, Maryland must step up to show that we may be small but we are mighty.

Thank you,  
Lisa Fuller
