Committee: Judicial Proceedings

Testimony on: HB351 - Constitutional Rights - Violations and Digital Unmasking

Organization: Individual

Person Submitting: Lore Lyon Rosenthal

Position: Favorable

Hearing Date: April 2, 2026

Dear Chairman Smith and members of the committee,

I am writing in favor of **HB351 - Constitutional Rights - Violations and Digital Unmasking**

It is time for the state of Maryland to start prosecuting ICE agents and others who break the law or disregard our constitutional rights. This bill is a step in the right direction. It allows the States Attorney and others to collect proof (from police cams, cell phones, etc) that blatantly shows that officers are disregarding the constitution.

Now that the Trump administration has left Minnesota, he says that Maryland is next. If our president is waging an all-out assault on our immigrant population (as well as peaceful protesters), we need to make sure that there is legal protection in place.

For all these reasons, I recommend a favorable report on HB351.

Thanks,

Lore Lyon Rosenthal
