

Hello. My name is Lisa Siano. I live in Columbia MD.

I am writing to urge a favorable report on SB984.

This bill is necessary to prohibit the state from allowing anyone to obtain a permit to operate a detention center without complying with certain rules and regulations.

People are attempting to obtain zoning permits to detain people in terrible conditions in warehouses never meant for human habitation.

Zoning and other authorities should be prohibited from allowing anyone to house people in places that were never intended for humans.

Therefore I urge a favorable report on SB984.
