Dear Judiciary Chair, Vice Chair and Committee Members,

I am Former Commissioner Elinor Thompson and I have served on the Maryland Commissioner American History and Culture Commission from 2017 - 2025. I never missed one meeting or event during my eight year term as a commissioner who represented Anne Arundel County. While I do many things and do them well as it pertains to my Genealogical Methodology regarding ancestral ties and preservation projects within the communities. I document and preserve cemeteries.

I have buried my Mother, Grandmother, Aunt, Husband and Sister in Law all from Cancer. I heard what happened to Ms. Jennifer Johnson's grandmother should never have happened.

I urge you to pass SB0190 Granny's Law and do what is right in the eyes of the Lord.

Sincerely,

Elinor Thompson
