**HB 668 - St. Mary's County - Prohibition on Standing in Inherently
Dangerous Highway**

COMMITTEE: Judicial Proceedings
POSITION: Support

The Commissioners of St. Mary's County express our support for **HB 668 - St. Mary's County - Prohibition on Standing in Inherently Dangerous Highway**. This bill would prohibit a person in St. Mary's County from standing in a roadway, a shoulder, a median divide, or an intersection determined by the County to be inherently dangerous. As passed by the House, the bill would require the State Highway Consultation's consultation before designating any State-owned road as inherently dangerous, and would require SHA's approval before installing signs adjacent to the state highway.

We urge you to **support HB 668 as passed by the House**. Thank you for your consideration as well as your attention to this matter, and thank you for the opportunity to provide this testimony.

Sincerely,
COMMISSIONERS OF ST. MARY'S COUNTY

James Randy Guy, President
