RE: Senate Bill 462 - Landlord and Tenant - Residential Leases and Holdover Tenancies - Local Just Cause Termination (Good Cause Eviction)

POSITION: SUPPORT

Chair Smith, Vice Chair Waldstreicher, and Members of the Committee please be advised that my Baltimore City Administration (BCA) **supports** Senate Bill (SB) 462.

SB 462 would authorize a jurisdiction to enact a local law that would prohibit a landlord from failing to renew a lease without providing a just cause. The bill only applies to residential properties and provides a range of reasons the landlord can use to provide "just cause" of the nonrenewal.

This bill strikes a reasonable balance to ensure that both tenants and landlords have clarity and certainty regarding their lease renewals. It does not mandate that a landlord renew a tenant's lease rather it requires that a reason ("just cause") be given to the tenant if the lease is not going to be renewed. The reasons are broad and include breach of lease, failing to cease disorderly conduct, illegal activity, refusing access for repairs, and the inability to complete renovations while the building is occupied. "Just cause" also allows for the landlord in good faith to not renew the rental if they wish to remove the property from the market or want to recover possession of the property for their use or the use of their family.

It is important to note that the bill authorizes rather than mandates local jurisdictions to enact a local just cause law. This allows jurisdictions to make decisions in the best interest of their residents and unique local circumstances. In 2021, the Baltimore City Council attempted to pass local legislation to establish just cause evictions but the legislation could not be approved by the City's law department for form and legal sufficiency as state law change would be required. SB 462 would make the necessary changes to allow the City to pursue local legislation, should we wish.

For these reasons, The BCA requests a **favorable** report on SB 462.
