To the Honored Members of the Senate Judicial Proceedings Committee:

Thank you for considering SB0715—Washington County—Juveniles--Truancy Reduction Pilot Program. This bill will allow the Circuit Court of Washington County to develop a program, along with our fellow stakeholders, to reduce truancy amongst the youth of Washington County. Washington County has a significant number of youths who are falling behind and limiting their chance of success in life due to poor school attendance and involvement with Juvenile Services and social service. Our goal is to develop a program with a broad reach to positively affect the lives of as many youths as we are able.

Thank you for your attention to our youth and I urge a favorable report on SB0715.

Sincerely,

Brett R. Wilson
Administrative Judge
