

Testimony on House Bill 1575 – Favorable
HB1575 – Correctional Services and Public Safety - Immigration Enforcement -
Prohibitions (Community Trust Act)

House Judiciary Committee

February 25, 2026

Dear Chair ,Vice Chair, and Members of the Committee,

My name is Dr. Marcia Coe and I am a resident of Leonardtown, Maryland. I am writing in support of **HB1575 – the Community Trust Act**.

I support HB1575 because local jails and law enforcement across Maryland are voluntarily collaborating with ICE - holding people past their release dates and notifying ICE about individuals in custody, all without a judicial warrant. This is unconstitutional, wastes taxpayer dollars, and makes our communities less safe by eroding trust between residents and law enforcement.

This bill simply requires a judicial warrant before anyone is held for ICE and stops local officers from proactively contacting ICE about people in their custody. It does not prevent the federal government from enforcing immigration laws; it just ensures that Maryland is not doing ICE's job for them.

Ending this collaboration would improve public safety and trust in local law enforcement in our communities.

For these reasons, I respectfully urge the committee to issue a **favorable report on HB1575**.

Thank you for your time and consideration.

Sincerely,
Marcia D. Coe, MD
Leonardtown, Maryland
