**RE: FAVORABLE - SUPPORT of House Bill 1382
State Procurement - Prohibited Certifications - Boycotts of Foreign Countries**

To the Chair Wells, Vice Chair Kerr, and esteemed members of the Government, Labor, and Elections Committee,

My name is Furkan Guclu, I am a resident of Baltimore County, District 3. I am writing to name my support to HB 1382 the "State Procurement - Prohibited Certifications - Boycotts of Foreign Countries" bill. This bill undoes former Governor Hogan's executive order that prevented state contractors from participating in a boycott of Israel. The existing executive order conflicts with the basic first amendment principle that people have a right to engage in peaceful political action without being coerced by the state. Executive Order 01.01.2017.25 was unpopular when it was passed, and yet has remained in place for 9 years despite a new governor, so legislative action is necessary to correct it.

The Boycott, Divest, and Sanctions (BDS) movement is one of the few ways for people worldwide to support Palestinians and meaningfully challenge Israeli apartheid and settler-colonialism. It is based on the same peaceful tactics that worked against the apartheid regime in South Africa, which were as moral and necessary then as they are now. Maryland contractors should not have to choose between their morals and their contracts.

As a recent father, I see the support a child needs and how precious that life is. Today, those Palestinian children are suffering because of a tyrannical state. We must do whatever we can to ensure the safety and support of children worldwide.

For these reasons and many more, **I ask the Government, Labor, and Elections Committee to give HB 1382 a favorable report.**

Thank you for your time,
Furkan Guclu
