

HB 725: Correctional Services - Immigration Enforcement - Required Notice and Transfer: Please vote to **SUPPORT** this bill.

Dear Judiciary Committee:

I am writing to strongly urge you to **SUPPORT HB 725** during the upcoming hearing in the Judiciary Committee on March 4, 2026.

HB 725 focuses narrowly on basic, commonsense notifications and transfers from correctional settings—helping prevent the release of dangerous individuals back into communities. Timely notice and handoff protect public safety, support victims, reduce recidivism risks, and align with procedures that **do not** force local officers into proactive enforcement roles.

Maryland families deserve policies that prioritize community protection over obstacles to collaboration. HB 725 is a targeted, effective measure to enhance accountability in our correctional system.

For these reasons, I respectfully ask you to **vote in favor of HB 725.**

Thank you for your attention to this vital public safety legislation.

Sincerely,

Trudy Tibbals
