

Testimony on House Bill 332/ Senate Bill 346 - Favorable

Civil Actions - Violation of Constitutional Rights (No Kings Act).

Judiciary Committee

April 1, 2026

Dear Honorable Chair Bartlett, Vice Chair Davis and Members of the Committee,

I, Cynthia Sokolow of Howard County, Maryland, **offer favorable testimony of HB 332/SB 346.**

This bill establishes certain civil liability for an individual who deprives another of a right, privilege or immunity secured by the United States Constitution. Federal employees would not be exempt. Qualified immunity for ICE agents would end and they could be accountable for their unlawful actions.

California and New York are considering passing a similar law, if they haven't already.

Protect our immigrant neighbors from unqualified, minimally trained, and inadequately supervised so-called law enforcement invading our state.

I urge you to **support HB 332/ SB 346.**

Thank you for your attention and consideration,

Cynthia Sokolow
