

Testimony — Favorable
HB630 Correctional Services - Immigration Detention Facilities - Original Design and Construction

Judiciary Committee
March 11, 2026

Dear Honorable Chair Bartlett, Vice Chair Davis, and Members of the Committee,

I am writing to offer favorable testimony in support of **HB630 Correctional Services - Immigration Detention Facilities - Original Design and Construction**

The Fifth Amendment of our Constitution guarantees due process for ALL PERSONS. ICE violates these guarantees daily, using detention centers to deprive victims of their freedom and treat them abominably. Converting existing structures to detention centers will surely produce inadequate, unsafe living conditions.

We don't live in a police state. We must stand up and say "no" to ICE and its police state tactics,

I urge the Judiciary Committee to issue a **favorable report on HB630**.
