

Hello. My name is Lisa Siano. I live in Columbia MD.

I am writing to urge a favorable report on HB630.

This bill is necessary to prohibit a detention facility at a building, structure, or facility that was not originally designed and constructed for the purpose of housing or detaining individuals.

People are being detained in terrible conditions in warehouses never meant for human habitation.

No one should be allowed to house people in places that were never intended for humans.

Therefore I urge a favorable report on HB630.
