TESTIMONY ON HB # 83, Family and Law Enforcement Protection Act
FAVORABLE

TO: Chair Bartlett, Vice Chair Davis, and members of the Judiciary Committee

FROM: Emily C. Blank

My name is Emily C. Blank. I am a resident of District 47a. I am writing in support of HB#83, Family and Law Enforcement Protection Act

I respectfully urge this committee to return a favorable report on HB #83. Guns should be taken away from domestic abusers as soon as possible. These are potentially dangerous people who have already demonstrated, to a court of law, their unwillingness and/or inability to regulate their violent impulses. This law would promote gun violence prevention efforts which will empower community leadership, promote healing, and prevent further trauma.

In short, I urge the committee to return a favorable report on HB #83,
