Testimony on House Bill 1575 – Favorable

HB1575 – Correctional Services and Public Safety - Immigration Enforcement - Prohibitions
(Community Trust Act)

House Judiciary Committee

Feb. 25, 2026

Dear Honorable Chair Bartlett, Vice Chair Davis, and Members of the Judiciary Committee,

My name is Anna Rubin and I live in Columbia, Maryland. I am a composer, an activist in both Jewish and civic organizations. I am chair of the Social Justice Committee at Columbia Jewish Congregation. I am writing in support of HB1575 – the Community Trust Act.

My Jewish faith informs my values. Caring for the stranger is emphasized throughout the Hebrew Bible. “Do not do unto others as you would not have them do to you,” is a Talmudic dicta. I care about my immigrant neighbors and community and ICE is terrorizing our county. I want Maryland to stand as an example of resistance and moral values to the rest of the country.

I support HB1575 because local jails and law enforcement across Maryland are voluntarily collaborating with ICE - holding people past their release dates and notifying ICE about individuals in custody, all without a judicial warrant. This is unconstitutional, wastes taxpayer dollars, and makes our communities less safe by eroding trust between residents and law enforcement.

This bill simply requires a judicial warrant before anyone is held for ICE and stops local officers from proactively contacting ICE about people in their custody. It does not prevent the federal government from enforcing immigration laws; it just ensures that Maryland is not doing ICE's job for them.

For these reasons, I respectfully urge the committee to issue a favorable report on HB1575.

Thank you for your time and consideration.

Sincerely,

Dr. Anna Rubin
