

Judiciary Committee
House Bill 1262
Favorable

Honorable Chair Bartlett, Vice Chair Davis, and Members of the Judiciary Committee;

We, the steering committee of One Pasadena: Building a Safe and Inclusive Community, ask that you give House Bill 1262 a favorable report.

As an anti-bigotry group, we oppose all racial profiling. We hope that you will support this effort to rein in the racial profiling that ICE agents are known to be employing in their efforts to deport Brown and Black people. Please stand against the Kavanaugh stops that the federal government employs, and make it clear that we won't accept racist practices in our state. Thank you for the work you do.

Sincerely,
The One Pasadena Steering Committee
