

TESTIMONY ON HOUSE BILL – FAVORABLE

HOUSE BILL 332 – CIVIL ACTIONS VIOLATIONS OF CONSTITUTIONAL RIGHTS (NO
KINGS ACT)

JUDICIARY COMMITTEE

FEBRUARY 18, 2026

Dear Chair Bartlett, Vice-Chair Davis, Members of the Committee,

I offer favorable testimony in support of HB 332 – Civil Actions: Violations of
Constitutional Rights (No Kings Act)

Currently citizens can sue local and state officials when their constitutional rights are
violated. There is no such recourse at the Federal level. This bill will ensure that citizens
will be able to sue Federal officials when their constitutional rights are violated.

This bill is essential in these days where ICE employees are wrongfully detaining citizens,
conducting illegal searches and seizures, and worst of all shooting American citizens in the
street. Victims and their families need to be able to obtain redress for the consequences
of Federal overreach.

This bill will ensure that citizens whose constitutional rights have been taken away will be
able to sue an official at the local, state, and now Federal level.

I urge the House Judiciary Committee to issue a **favorable report on House Bill 332.**
