

Judiciary Committee
House Bill 719
Unfavorable

Honorable Chair, Vice Chair, and Members of the Judiciary Committee;

Oh, look- another Arian bill. Does she know how to do anything other than spew hatred and waste people's time and tax dollars? Why isn't she putting forth legislation that might have a chance and actually help her constituents? Perhaps if she didn't spend so much time vomiting out alt-right talking points on social media, she could speak with the people in her district about what they actually need. This bill ain't it.

Sincerely,
Debi Jasen
