TESTIMONY ON HB#1575 - POSITION: FAVORABLE

Full Bill Name: Correctional Services and Public Safety—Immigration Enforcement—Prohibitions (Community Trust Act)

TO: Chair, Del. Sandy Bartlett, Vice Chair, Del. Debra Davis; and members of the Judiciary Committee

FROM: Julie Robin Solomon

My name is Julie Robin Solomon. I am a resident of District 46. I am submitting this testimony on HB#1575—Correctional Services and Public Safety—Immigration Enforcement—Prohibitions (Community Trust Act)

I have resided in Baltimore City for 39 years. I belong to the ACLU, Casa, and Indivisible Baltimore. I strongly urge the Committee to pass HB#1575 .

I support HB#1575 because local jails and law enforcement across Maryland are voluntarily collaborating with ICE—holding people past their release dates and notifying ICE about individuals in custody, all without a judicial warrant This is unconstitutional, wastes taxpayer dollars, and makes our communities less safe by eroding trust between residents and law enforcement. In addition, the collaboration between ICE and our law enforcement risks contaminating the culture of our law enforcement with a heinous, fascistic, and unconstitutional mindset. We must protect our law enforcement institutions as well.

All Marylanders, particularly those from historically disenfranchised communities, need to be protected from racial profiling. During this era, when the Trump administration is using ICE and CPB as a fascistic militia, we must make sure that all our community members, including vulnerable populations in our community, are not subject to the unconstitutional actions of ICE. racial profiling. It is our duty as Maryland citizens and elected officials to stand up for the most vulnerable in our community. That is what democracy means--safeguarding the total populace. As a longtime Baltimore City Resident, I have personally witnessed how police and the sheriff's department (in the past) have abused their power with my family members—stopping my young African American godsons on the street for no reason—even stealing from them. I have an African American son and African-American grandchildren and godchildren. My factotum is Latina. I want to make sure that they are not subject to the abuses of ICE facilitated by our local law enforcement. As our Federal Government becomes more racist and aggressive in its fascistic policing practices, our state must take a lead in ensuring that our citizens are not racially profiled. HB#1575 is an important way to achieve this aim. Thank you for all your hard work and efforts to stand up for our democracy.
