Bill Number: HB 1541

Position: Favorable with Amendment

The Maryland State's Attorneys' Association respectfully urges a favorable report with amendment on House Bill 1541.

MSAA supports the creation of a workgroup to study extreme risk protective orders; however, as State's Attorneys' Offices are charged with prosecuting violations of these orders, the MSAA asks that this Committee amend HB 1541 to include an elected State's Attorney, or an elected State's Attorney's designee, as a member of the Workgroup to Study Extreme Risk Protective Orders.

MSAA respectfully urges consideration and implementation of this amendment.
