

HB 719  
House Judiciary Committee  
Support  
Amy Waychoff  
Montgomery County, LD 18  
March 2, 2026

Maryland House Bill 719 is a vital step toward ensuring public safety by requiring consistent cooperation between local law enforcement and federal immigration authorities. By eliminating sanctuary policies, this legislation ensures that individuals who have committed crimes are held accountable and that our communities are not endangered by a lack of inter-agency communication. Implementing these standards will restore the rule of law and prioritize the security of Maryland citizens above all else.
