

**HB 527:** Correctional Services - Home Detention - Removal: Please vote to **SUPPORT** this bill.

Dear Judiciary Committee:

I am writing to strongly urge you to **SUPPORT HB 527**.

**HB 527** ensures consistent enforcement, upholds program integrity, and prioritizes public safety.

**Allowing violations to go unaddressed without required removal will undermine the program's credibility, endangering public safety, and eroding trust in the correctional system.** Mandatory removal for breaches sends a clear message that rules must be followed while still permitting discretionary removal for other reasons.

**HB 527** strengthens accountability without eliminating home detention entirely or altering eligibility criteria. It aligns with efforts to ensure supervised release programs serve their intended purpose: safe, controlled reintegration rather than leniency that compromises community protection.

For these reasons, I respectfully ask you to **vote in favor of HB 527**.

Thank you for your time and thoughtful consideration of this important public safety and correctional reform legislation.

Sincerely,

Trudy Tibbals
