RE: SB476 Civil Actions-Noneconomic Damages-Personal Injury and Wrongful Death

Position: Oppose

My name is Kirk McCauley, my employer is WMDA/CAR, we represent service stations, convenience stores, and repair facilities across the state as a non-profit trade group established in 1937.

Consumers and small business expenses are out of control now, HB476 would significantly increase insurance premiums for all. Noneconomic Damages are close to a million dollars now and increase every year. This bill would benefit a few while raising insurance premiums for millions on vehicles, homeowners, and business.

WMDA/CAR asks for an unfavorable vote on HB476.
