Re: HB0670 – Criminal Law – Child Pornography – Prohibitions and Penalties

Dear Delegate Moreno:

My name is Courtney Pierce and I am a resident of District 3 in Harford County. I am submitting this testimony in strong support of House Bill 0670, Child Pornography – Prohibitions and Penalties. It goes without saying that action and accountability is necessary, and our children must be protected at all costs - in Maryland and across the globe. I am writing to request your support.

Thank you for your time and leadership on this crucial issue.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Pierce".
