

Dear Members of the House Ways and Means Committee,

I am asking that you vote for HB0063 because I have two precious granddaughters who play sports in Anne Arundel County. I want them to have fair competition without the fear of boys taking the titles and honors away from the girls who should have received them. I want them to be safe both on the field and court as well as in the locker room. It is unthinkable that they would have to get changed in front of a boy pretending to be a girl. And serious, horrible injuries have happened when boys compete with girls in sports. Their differences biologically are the reason it is not safe for boys to be in girls sports. Please use your common sense and listen to your constituents and vote for HB0063.

Sincerely,

Elizabeth Sullivan
