

**Written Testimony in Opposition to HB 1011
Workgroup on Supporting Transgender and Gender Diverse Students –
Established**

I respectfully oppose **HB 1011**, which would establish the Workgroup on Supporting Transgender and Gender Diverse Students to study and make recommendations regarding statewide statutory and regulatory policies by December 1, 2026.

I do not support the creation of this workgroup and believe that matters related to student support should remain focused on educational outcomes, parental involvement, and local decision-making rather than additional statewide policy development.

For these reasons, I respectfully request an unfavorable report on HB 1011.

Thank you for your consideration.

Respectfully submitted,
