

Ways and Means
House Bill 1032
Favorable

Honorable Chair Wilkins, Vice Chair Feldmark, and Members of the Ways and Means Committee;

We, the Steering Committee of anti-bigotry group One Pasadena, urge a favorable report for House Bill 1032.

One Pasadena has worked with many other organizations in Anne Arundel County on issues related to prejudice in the schools. Gathering accurate information about discriminatory incidents has been a significant challenge. We strongly believe that it's imperative that such occurrences be recorded so they can be addressed. Please vote in favor of House Bill 1032. Thank you.

Sincerely,
The One Pasadena Steering Committee
