Ways and Means Committee Chair & Members,

I respectfully request advancement and **approval of HB0063** Fairness in Girls Sports Act. Maryland daughters deserve fair and safe athletics, both on the field/court/track and in the locker rooms. In my lifetime alone, women have gained and now lost access to fair athletic competition. This is not a difficult legislation to pass. Women's athletics are for females only. Please do not negate the past 50+ years of Women's Rights by allowing males to participate or compete in female athletics. This is about protecting women and girls. That's it. Don't complicate the issue when it's as simple as this.
