

**HB 459:** State Board of Education and State Superintendent of Schools - Enforcement Procedures - Alterations: Please vote TO SUPPORT this bill.

Dear Ways & Means Committee:

I am writing to express my **strong support for HB 459**, which updates enforcement procedures for the State Board of Education and the State Superintendent of Schools.

This bill provides **necessary clarity, structure, and accountability** in the state's education enforcement process. Clear and consistent enforcement procedures are essential to ensuring that Maryland's education laws are applied **fairly, predictably, and transparently** across all school systems.

**HB 459 strengthens oversight while establishing clearer expectations for compliance**, helping to prevent confusion, inconsistent application, and prolonged disputes. By refining enforcement mechanisms, the bill supports **timely resolution of violations**, protects students' educational rights, and ensures that state standards are meaningfully upheld.

Importantly, this legislation promotes **uniformity and due process** by defining enforcement pathways rather than relying on ad hoc or informal measures. Clear procedures benefit **local school systems, parents, educators, and students** by ensuring that enforcement actions are grounded in established rules and not subject to arbitrary interpretation.

Strong state oversight, when paired with transparent procedures, is not punitive—it is **protective**. It ensures that serious issues are addressed consistently, that corrective actions are proportional, and that all parties understand their rights and responsibilities throughout the process.

For these reasons, I respectfully urge you to **support HB 459** as a responsible step toward a more accountable, transparent, and effective education system in Maryland.

Thank you for your time and thoughtful consideration.

Respectfully,

Trudy Tibbals
