***RE: HB 569 – Queen Anne's County – Authorized Use of Revenues from  
Development Impact Fees - SUPPORT***

Dear Chair Wilkins and Members of the Committee,

Please accept this letter of support for HB 569. This bill would authorize the use of revenue from development impact fees to finance capital cost for the replacement of public school facilities. This bill allows the use of impact fees to help fund the replacement of old antiquated school buildings with modern, safe, secure and energy efficient facilities.

The Queen Anne's County Board of Education supports this legislation and urges a favorable report of this bill.

Respectfully,
