

## Letter of Information

### Senate Bill 468 – Local Government – Grants for Recipients of State Child Tax Credit – Authorization

Ways & Means Committee  
April 2, 2026

The Comptroller of Maryland is respectfully submitting this letter of information regarding Senate Bill 468 – Local Government – Grants for Recipients of State Child Tax Credit – Authorization. SB468 authorizes county-level grant programs for recipients of the state child tax credit.

As amended, SB468 includes language regarding the Comptroller providing information to counties as necessary to implement the grant (p3, lines 1-4). However, disclosure of confidential tax information for the purpose of administering a grant is not permissible under state or federal law. While the language in SB468 does not explicitly require the disclosure of tax information, we would request an amendment either striking the proposed language or clarifying that “information necessary to implement the grant” does not include confidential tax information.
