

"I strongly believe that HB63 is a crucial step forward for fairness and equality in Maryland's schools. By ensuring that athletic teams are designated based on biological sex, this bill protects the rights and safety of female athletes across our state. It's essential that we maintain a level playing field for all students, and HB63 helps achieve that goal. I urge the Maryland General Assembly to pass this bill and support the well-being and success of all student athletes."
