

Ways and Means Committee
House Bill 459
Unfavorable

Honorable Chair, Vice Chair, and Members of the Ways and Means Committee;

Please give House Bill 459 an unfavorable report.

Is House Bill 459 about book banning? Because House Bill 459 seems to be about book banning. And I'm not a fan of banning books just because some parents or politicians dislike the contents. Haven't we been through this already?

Sincerely,
