

Testimony For HB0478

Honorable Delegates

Please enter a favorable report for HB0478.

I support

- Altering a subtraction modification under the Maryland income tax for unreimbursed expenses paid or incurred by certain teachers during a taxable year for the purchase of certain classroom supplies to include certain teachers employed in prekindergarten programs in the State; and
- applying the Act to all taxable years beginning after December 31, 2025.

Having the value of unreimbursed expenses paid or incurred by certain teachers during a taxable year for the purchase of certain classroom supplies be classified as a subtraction modification instead of a deduction, would better reward the teachers for their sacrifice and dedication to their students.

So please enter a favorable report for HB0478.
