HB603-Baltimore County - Homestead Property Tax Credit Percentage

- Locks Baltimore County's Homestead Property Tax Credit percentage at 100%.
- Homeowners eligible for the Homestead Property Tax Credit in Baltimore County will not realize an increase in their taxable assessment for county property tax purposes.
- Homeowners are paying taxes on inflated home values.
- The cost of living is high and this will ease the burden of everyday hardworking Baltimore County residents.
- Only people who own a property as their principal residence qualify.

I urge a FAVORABLE report for HB603.
