

The Frederick County Council finds it necessary and appropriate to create an Immigrant Affairs Commission. Immigrants make significant contributions to every facet of the County's economic, educational, and cultural life. The public health, safety, and general welfare of the County will be furthered by promoting access by all residents to County programs, services, and activities. Frederick County has welcomed an increasingly diverse population and recognizes the importance of cultivating a culture of inclusion.

Frederick County ensures that all people in the County receive equal protection under the laws and respectful treatment without regard to confirmed or suspected race, color, religion or creed, sex, national origin or ancestry, age, marital status, veteran status, sexual orientation, gender identity, or physical or mental disability.

Frederick County government seeks to maintain positive relationships with members of the immigrant community, and seeks guidance on policies, practices, and services that impact immigrant health, well-being, economic success, and safety.

NOW, THEREFORE, BE IT ENACTED BY THE COUNTY COUNCIL OF FREDERICK COUNTY, MARYLAND, that the Frederick County Code be, and it is hereby, amended as shown on the attached Exhibit 1.

M.C. Keegan-Ayer, President
County Council of Frederick County,
