EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW. [Brackets] indicate matter deleted from existing law. Underlining indicates language added to Bill by amendment. Language lined through indicates matter stricken out of Bill by amendment.
WHEREAS, Section 256-15, Fire hydrants, of Article I, General Provisions, of Chapter 256, Water and Sewers, of the Harford County Code, as amended, provides that fire hydrant service to County residents who are served by the Maryland Water Works (currently known as the Maryland American Water Company) may be provided by the County if: (1) the residents requesting service have filed a petition with the Department of Public Works for fire hydrant service; (2) the Department of Public Works formulates a preliminary estimate of the total cost and a projection of the area to be served under the petition, (3) the County Executive requests the Council to hold a public hearing; and (4) a public hearing is held by the Council to determine if the service shall be provided; and

WHEREAS, in June 2020, a majority of the property owners in the Fairmont subdivision submitted a petition requesting fire hydrant service for the properties; and

WHEREAS, a petition ballot package was mailed to 105 property owners in the Fairmont subdivision, of which 71 ballots in favor of the petition and 1 ballot against the petition were returned, resulting in a majority of 68% of the property owners supporting the fire hydrant petition project; and

WHEREAS, it is proposed that 10 fire hydrants will be installed to serve the properties, and the annual cost to Harford County for fire hydrant service under the Maryland American Water Company's current tariff will be $1,647.50; and

WHEREAS, a cost summary of the estimated costs associated with the installation, maintenance and administration of the fire hydrants was prepared, and the estimated Annual Fire Hydrant Assessment amount per property, including the County's administrative fee, is $19.61; and

WHEREAS, the County Executive has requested that the Council hold a public hearing to determine if the service shall be provided; and
WHEREAS, the County recommends that the petition be approved.

NOW, THEREFORE,

Section 1. Be It Enacted By The County Council of Harford County, Maryland that the petition to provide fire hydrant service to the properties identified in the attached map (those lots included on the subdivision plats recorded at Liber 7, folio 52 and Liber 7, folio 53) is approved and that the County is authorized to charge each owner of property identified in the petition, in accordance with Water and Sewer Rules and Regulations, a pro rata share of the fire hydrant rental fees charged to Harford County annually by the Maryland American Water Company for fire hydrants installed to serve the property.

Section 2. And Be It Further Enacted that this Act shall take effect 60 calendar days from the date it becomes law.

EFFECTIVE: January 11, 2021
