**BOARD OF EDUCATION OF HOWARD COUNTY  
MEETING AGENDA ITEM**

---

**TITLE:** Land Bank Acquisition for Future Turf Valley School Site      **DATE:** September 10, 2020

**PRESENTER(S):** Daniel Lubeley, Acting Director, Capital Planning and Construction

---

**Strategic Call To Action Alignment:** This process supports the Strategic Call to Action (SCTA) by providing operations and practices that are responsive, transparent, fiscally responsible and accountable.

**OVERVIEW:** The need for a future elementary school within the Turf Valley development, due to the projected student enrollment growth, has been identified since the 2015 Feasibility Study. The Howard County Public School System (HCPSS) staff has requested dedication of land from the Mangione Family Enterprises. The property under consideration is within the “Villages at Turf Valley,” is approximately 10 acres in size, and is known as “Parcel CC-2”. On September 8, 2016, the Board of Education authorized staff to contact the Howard County Executive to determine the viability of purchasing this property. The owner, Mangione Family Enterprises, has agreed to sell the property to Howard County. In turn, Howard County will transfer the land and deed it to the HCPSS for its land bank and use for a future school site.

Per Policy 6000, a report was presented to the Board on July 12, 2018, which was followed by a Public Hearing on August 23, 2018.

The property includes sufficient acreage to contain a school that meets the elementary school educational needs, including parking, playing fields, and accommodations for community use.

Attachment 1 – Geographical location of site with SY 2020-21 elementary attendance areas

---

**RECOMMENDATION/FUTURE DIRECTION:**

Staff recommends approval of the site for a future elementary school and requests the Board allow staff to finalize the purchase and transfer of the site from the County.
