PAYMENT OF PURCHASE PRICE

Section 2.1. Payment of Purchase Price

(a) The County shall pay the First Payment in immediately available funds to the Seller on the Date of Settlement as part of the Purchase Price for the Land (subject to reduction in the amount of any prior deposits or similar payments made by or on behalf of the County to the Seller for the acquisition of the Land). On the Installment Purchase Price Payment Date, the County shall pay in immediately available funds to the Seller $1,868,500, which amount consists of the Installment Purchase Price plus accrued interest thereon calculated as set forth in Section 2.1(b) hereof.

(b) Interest on the unpaid balance of the Installment Purchase Price shall accrue from the Date of Settlement and shall be payable to the Seller on the Installment Purchase Price Payment Date at the rate of 100% per annum. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

(c) Both the Installment Purchase Price and the interest on the unpaid balance thereof are payable in lawful money of the United States of America, at the time of payment.

(d) Payment of interest on the unpaid balance of the Installment Purchase Price and payment of the Installment Purchase Price shall be made by the County to the Seller on the Installment Purchase Price Payment Date by wire transfer to the Seller. The County shall use the bank account number provided by the Seller on file with the County on the 15th day before the Installment Purchase Price Payment Date, or if such 15th day is not a Business Day, the Business Day immediately preceding such day, for such payment. Promptly following the County’s payment to the Seller of the Installment Purchase Price, and the interest thereon, the Seller shall present and surrender this Purchase Agreement at the office of the County.
(e) The obligation of the County to pay the Installment Purchase Price and accrued interest thereon is subject to the appropriation of money legally available for such purpose by the County Council. The County Executive will include in the budget request for the budget year the annual installment of the Installment Purchase Price and interest thereon to become due during such budget year. In the event sufficient funds shall not be appropriated by the County Council for the payment of the Installment Purchase Price and accrued interest thereon required to be paid under this Purchase Agreement, the County may terminate this Purchase Agreement at the end of the last fiscal year or earlier date for which an appropriation is available, without penalty, and the County shall not be obligated to make payment of the Installment Purchase Price and accrued interest thereon provided for herein beyond the last date for which an appropriation is available. The County shall deliver written notice to the Seller of such termination no later than seven business days after the County has knowledge that an appropriation will not be available. The County shall have no liability for the failure to give such notice. Upon termination of this Purchase Agreement for non-appropriation, the obligations of the County hereunder will cease. The County hereby represents and warrants that the amounts payable by the County under this Purchase Agreement are included in the County’s Fiscal Year 2021 Capital Budget, a copy of the excerpt of which is attached hereto as Exhibit B.

(f) Notwithstanding anything in this Purchase Agreement to the contrary, in the event the County fails to pay to the Seller the Installment Purchase Price and interest due under this Purchase Agreement, the Seller shall have the right to take any action at law or in equity to enforce the performance and observance of any obligation, agreement or covenant of the County under this Purchase Agreement and under the Sale Agreement. The provisions of this Section 2.1(f) shall survive the termination of this Purchase Agreement.

Section 2.2. Registration and Transfer of this Purchase Agreement. Until the Installment Purchase Price and all interest thereon have been paid in full, the County shall maintain and keep at its offices registration books for the registration and transfer of this Purchase Agreement. The Seller shall not transfer or assign this Purchase Agreement or the Seller’s right to receive payment pursuant to this Purchase Agreement except with the prior written consent of the County (which shall not be unreasonably withheld). For every registration of transfer of this Purchase Agreement, the County may make a charge sufficient to reimburse itself for any tax or other governmental charge required to be paid with respect to such transfer, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of registering such transfer.

(c) There is no litigation or proceeding pending or, so far as the Seller knows, threatened before any court or administrative agency that, in the opinion of the Seller, will materially adversely affect the authority of the Seller to enter into, or the validity or enforceability of, this Purchase Agreement.

BOARD OF EDUCATION OF HOWARD COUNTY
MEETING AGENDA ITEM

TITLE: Land Bank Acquisition for Future Turf Valley School Site
DATE: September 10, 2020

PRESENTER(S): Daniel Lubeley, Acting Director, Capital Planning and Construction

Strategic Call To Action Alignment: This process supports the Strategic Call to Action (SCTA) by providing operations and practices that are responsive, transparent, fiscally responsible and accountable.

OVERVIEW: The need for a future elementary school within the Turf Valley development, due to the projected student enrollment growth, has been identified since the 2015 Feasibility Study. The Howard County Public School System (HCPSS) staff has requested dedication of land from the Mangione Family Enterprises. The property under consideration is within the “Villages at Turf Valley,” is approximately 10 acres in size, and is known as “Parcel CC-2”. On September 8, 2016, the Board of Education authorized staff to contact the Howard County Executive to determine the viability of purchasing this property. The owner, Mangione Family Enterprises, has agreed to sell the property to Howard County. In turn, Howard County will transfer the land and deed it to the HCPSS for its land bank and use for a future school site.

Per Policy 6000, a report was presented to the Board on July 12, 2018, which was followed by a Public Hearing on August 23, 2018.

The property includes sufficient acreage to contain a school that meets the elementary school educational needs, including parking, playing fields, and accommodations for community use.

Attachment 1 – Geographical location of site with SY 2020-21 elementary attendance areas

RECOMMENDATION/FUTURE DIRECTION:
Staff recommends approval of the site for a future elementary school and requests the Board allow staff to finalize the purchase and transfer of the site from the County.
