EACH BIDDER EXPRESSLY ASSUMES THE RISK OF ANY INCOMPLETE, ILLEGIBLE, UNTIMELY OR NONCONFORMING BID SUBMITTED BY ELECTRONIC TRANSMISSION BY SUCH BIDDER, INCLUDING WITHOUT LIMITATION, BY REASON OF GARBLED TRANSMISSION, MECHANICAL FAILURE, ENGAGED TELECOMMUNICATIONS LINES, OR ANY OTHER CAUSE ARISING FROM SUBMISSION BY ELECTRONIC TRANSMISSION.

Authorization and Purpose

The Bonds will be issued by the County pursuant to [list of Bills]; and any applicable Resolutions adopted by the County Council and any applicable Executive Orders of the County Executive (collectively, the “Authorizing Legislation”). The proceeds of the Bonds will be used primarily to finance the costs of the acquisition, renovation or new construction and equipping of certain capital projects described in the Authorizing Legislation.

The Bonds and payment of the principal and interest thereon will be the unconditional general obligations of the County and will constitute an irrevocable pledge of the full faith and credit and unlimited taxing power of the County.

The County will not designate the Bonds as “qualified tax-exempt obligations” pursuant to the
provisions of Section 265 of the Internal Revenue Code of 1986, as amended.

List of Members of Account

The facilities of PARITY currently do not allow bidders to list the names of the members of the account on whose behalf the bid is made. Bidders who are submitting an electronic bid are requested to provide the names of the members of the account on whose behalf the bid is made to the County, by electronic mail to the Financial Advisor at jdiercksen@investdavenport.com.

Right to Modify or Amend Notice of Sale; Right to Postpone Sale

The County reserves the right to modify or amend this Notice of Sale, including (without limitation) changing the scheduled maturities or reducing the aggregate principal amount of Bonds and the principal amount of any maturity offered for sale, prior to the bid date. If any modifications occur, supplemental information with respect to the Bonds will be made available on the BidComp/Parity/www.i-dealprospectus.com system or published on Thompson Municipal Market Monitor (“TM3”) not later than 9:30 a.m. (prevailing Eastern Time) on the day of sale, and bidders shall bid upon the Bonds based upon the terms thereof set forth in this Notice of Sale, as so modified by such supplemental information.

In addition, the County reserves the right to postpone the time and/or date established for the receipt of bids for the Bonds. Notice of any such change shall be provided not less than one hour prior to the time set forth above for the receipt of bids by means of a supplemental notice of sale to be transmitted on BidComp/Parity/www.i-dealprospectus.com system or published on TM3. In the event of a postponement, the new date and time of sale and any revised date of expected delivery will be made available on BidComp/Parity/www.i-dealprospectus.com system or published on TM3 not later than 48 hours prior to such alternative sale date. On any such alternative sale date, bidders may submit bids for the purchase of the Bonds in conformity with the provisions of this Notice of Sale (including any supplemental notices of sale as described above), except for the changed date and time of sale and any revised date of delivery.

Bid Parameters

No bid of less than 100% of par, no oral bid and no bid for less than all of the Bonds described in this Notice of Sale will be considered. The Bonds are expected to be awarded no later than 3:00 p.m. (Prevailing Eastern Time) on __________, 2023. All proposals shall remain firm until the time of award.

Price and Interest Rate Bid

Each bidder shall submit one bid, not less than 100% of par on an “all-or-none” basis for the Bonds. Each bid must specify the rate or rates of interest to be paid on the Bonds, in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). Bidders may specify more than one rate of interest to be borne by the Bonds, but all Bonds maturing on the same date must bear interest at the same rate; and the difference between the maximum and minimum interest rates specified may not exceed four percent (4%). A zero rate cannot be named for any maturity.

Procedures for Award and Principal Amount Changes

The aggregate principal amount and the scheduled maturities, and the principal amount of each maturity of the Bonds are subject to adjustments by the County, both before and after the receipt of bids for their purchase. The aggregate principal amount of the Bonds may be decreased below $_______,* but may not be increased above $______. Changes to be made prior to the sale will be made available on BidComp/Parity/www.i-dealprospectus.com system or published on TM3 not later than 9:30 a.m. (prevailing Eastern Time) on the date of sale and will be used to compare bids and select a winning bidder. Changes to be made after the sale and the maturity amounts for the Bonds will be communicated to the successful bidder by 5:00 p.m. (prevailing Eastern Time) on the date of the sale, and will not reduce or increase the aggregate principal amount of the Bonds by more than 10% from the amount bid upon. In addition, the final maturity schedule for the Bonds will be communicated to
the successful bidder by 5:00 p.m. (prevailing Eastern Time) on the date of the sale. The dollar amount bid for principal and any amount bid for premium by the successful bidder will be adjusted proportionately to reflect any reduction or increase in the aggregate principal amount of the Bonds, but the interest rates specified by the successful bidder for all maturities will not change. The successful bidder may not withdraw its bid as a result of any changes made within these limits.

ALL BIDS SHALL REMAIN FIRM UNTIL THE BONDS ARE AWARDED ON THE DATE OF SALE.
An award of the Bonds pursuant to this Notice of Sale, if made, will be made by the resolution of the County Council of the County, at a meeting of the County Council at or before 3:00 p.m. (Prevailing Eastern Time) on the date of sale.

Good Faith Deposit

*Preliminary, subject to adjustment as provided herein.

A good faith deposit (the “Deposit”) is required in connection with the award of the Bonds to the successful bidder. After the bidding is closed and prior to the award, the apparent successful bidder indicated on PARITY must submit the Deposit in the amount of $____ in the form of a federal funds wire transfer not later than 3:00 p.m. (prevailing Eastern Time) (the “Deposit Deadline”) on the date of sale. The award to the apparent successful bidder is contingent upon receipt of the Deposit by the Deposit Deadline and the Bonds will not be awarded to such bidder until the County has confirmed receipt of the Deposit. The Deposit of the successful bidder will be retained by the County to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the successful bidder shall fail to comply with the terms of the bid, the proceeds thereof will be retained as and for full liquidated damages.

The County shall distribute wiring instructions for the Deposit to the apparent successful bidder in a timely fashion after the bidding has been closed. If the Deposit is not received by the Deposit Deadline, the County reserves the right to sell the Bonds to a different bidder upon such terms and conditions as the County shall deem appropriate, without any financial liability on the County’s part to the apparent successful bidder.

Award of Bonds and Public Offering

The County will not consider and will reject any bid for the purchase of less than all of the Bonds. THE RIGHT IS RESERVED TO THE TREASURER TO REJECT ANY AND ALL BIDS FOR THE BONDS. The award, if made, will be made to the bidder offering the lowest interest cost to the County, as calculated by the County or its agent. True interest cost shall be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and to the price bid, excluding interest accrued to the date of delivery; provided, however, that if two or more bidders have made bids, each of which represents the lowest true interest cost to the County, the Bonds shall be awarded to the bidder offering the highest premium and if the highest premium is offered by two or more such bidders or if no premium is bid by any such bidders, then the Bonds may be awarded, with their consent, in a ratable portion among such bidders, or the County, in its discretion, may award all the Bonds to one bidder. The judgment of the County shall be final and binding upon all bidders with respect to the form and adequacy of any bid received and as to its conformity to the terms of this Notice of Sale. Each bidder shall include in its bid a statement of true interest cost offered by its bid, but such statement shall not be deemed a part of its bid.

The successful bidder shall make a bona fide public offering of all the Bonds and shall represent to the County that such reoffering is in compliance with all applicable securities laws of the jurisdictions in which the Bonds are offered. THE SUCCESSFUL BIDDER SHALL PROVIDE THE CERTIFICATION DESCRIBED UNDER “CERTIFICATION AS TO ISSUE PRICE” BELOW.

Legal Opinion

25
The issuance of the Bonds will be subject to delivery of the approving opinion of Miles & Stockbridge P.C., bond counsel, which opinion shall be substantially in the form set forth as an exhibit to the Preliminary Official Statement referred to below.

Official Statement

Not later than seven (7) business days after the award of the Bonds to the successful bidder on the day of sale, the County will deliver to the successful bidder an Official Statement, which is expected to be substantially in the form of the Preliminary Official Statement referred to below. If so requested by the successful bidder, before the close of business on the date of the sale, the County will include in the Official Statement such pricing and other information with respect to the terms of the reoffering of the Bonds by the successful bidder (“Reoffering Information”), if any, as may be specified and furnished in writing by such bidder. If no Reoffering Information is specified and furnished by the successful bidder, the Official Statement will include the interest rates on the Bonds resulting from the bid of the successful bidder and the successful bidder shall be responsible to the County and its officials for the Reoffering Information, and for all decisions made by such bidder with respect to the use or omission of the Reoffering Information in any reoffering of the Bonds, including the presentation or exclusion of any Reoffering Information in any documents, including the Official Statement. The successful bidder for the Bonds will also be furnished, without cost, with a reasonable number of copies of the Official Statement (not to exceed 50 copies) and any amendments or supplements thereto. The successful bidder may order additional copies at its own expense and is responsible for distributing the final Official Statement to its syndicate members.

The Preliminary Official Statement of the County concerning the Bonds (the “Preliminary Official Statement”) is in a form “deemed final” by the County for purposes of Section (b)(1) of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), but is subject to revision, amendment and completion in the final Official Statement. The County is distributing the Preliminary Official Statement to potential bidders electronically through i-Deal LLC (“i-Deal”). Potential bidders may also obtain an electronic copy of the Preliminary Official Statement by logging onto the website for i-Deal at www.i-dealprospectus.com. Prior to submitting a bid, each potential bidder should read the Preliminary Official Statement in its entirety.

The County will undertake to provide the successful bidder with further additional information to be included in the Official Statement, when in the opinion of the County or of Bond Counsel, such additional information constitutes a material change to the Official Statement. The County will take such steps as are necessary to arrange for amending and supplementing the Official Statement in connection with the disclosure of such additional information; provided, however, that the County shall have no obligation to provide such additional information after the date that is twenty-five (25) days after the “end of the underwriting period,” as such term is defined in the Rule.

The County agrees, in order to assist the successful bidder in complying with Section (b)(5) of the Rule, pursuant to a continuing disclosure certificate (the “Continuing Disclosure Certificate”) signed by the County Executive, Treasurer and Director of Administration of the County, to provide annual financial information and notices of certain events, as enumerated in the Rule, to the Electronic Municipal Market Access (“EMMA”) System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934. The undertakings of the County in the Continuing Disclosure Certificate shall be set forth in the Preliminary Official Statement and Official Statement and any amendment or supplement thereto.

Certification as to Issue Price

The successful bidder shall assist the County in establishing the issue price of the Bonds and shall execute and deliver to the County on or before the date of issuance of the Bonds, an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds together with the supporting pricing wires or equivalent communications as described herein.

The County intends and expects that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds.
Bonds (the “competitive sale requirements”) because: (i) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters; (ii) all bidders shall have an equal opportunity to bid; (iii) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and (iv) the County anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest true interest cost, as set forth in this Notice of Sale (a “Qualified Competitive Bid”). If a bid qualifies as a Qualified Competitive Bid, the successful bidder shall be required to provide to the County a certificate acceptable to Bond Counsel, or on or before the date of issuance of the Bonds, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County and Bond Counsel. The County’s Financial Advisor acting as its municipal advisor (the “Municipal Advisor”) shall also be required to provide to the County a certificate acceptable to Bond Counsel on or before the date of issuance of the Bonds, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Municipal Advisor, the County and Bond Counsel.

In the event that a bid fails to satisfy the requirements of a Qualified Competitive Bid (an “Alternate Competitive Bid”), the County shall so advise the successful bidder. The County may determine to treat (i) the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). Bids will not be subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to any maturity of the Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the 10% test and/or the hold-the-offering-price rule in order to establish the issue price of the Bonds. Bidders should note that an Alternate Competitive Bid may require the successful bidder, and if applicable, other underwriters of the Bonds, to the hold the initial offering prices for certain maturities of the Bonds for up to five (5) business days after the sale date of the Bonds. If a bid is an Alternate Competitive Bid, the successful bidder shall be required to provide to the County a certificate acceptable to Bond Counsel, substantially in the form attached hereto as Exhibit C to this Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County and Bond Counsel.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. All bids shall include a representation that the underwriters have established industry reputations for underwriting new issuances of municipal securities.

Book-Entry Only Form

The Bonds will be issued in book-entry-only form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”) and immobilized in its custody. Principal, premium (if any) and interest on the Bonds will be payable to DTC or its nominee as registered owners of the Bonds. Information concerning DTC and its book-entry system is included in the Preliminary Official Statement and bidders should rely solely on that material. The County takes no responsibility for the accuracy of such information.

Interest Payment Dates

The Bonds will be dated the date of delivery and will bear interest from the date of delivery, payable on October __, 2023 and semiannually thereafter on each April __ and October __ until maturity or redemption.

Preliminary Principal Amounts*

Unless the maturity schedule below is revised as described under “Procedures for Award and Principal Amount Changes” above, the Bonds will mature on October __ in each of the years 2023 through 2042, inclusive, as follows (the “Maturity Schedule”):

The Bonds which mature before ____________ are not subject to redemption prior to maturity. The Bonds that mature on and after ____________, are subject to redemption at the option of the County in whole or in part at any time beginning ____________, without premium or penalty at par (100% of the principal amount to be redeemed) plus accrued interest to the date of redemption.

Delivery

Delivery of the Bonds by the Treasurer of the County is expected to occur through the facilities of DTC on or about ____________, 2023 (the “Closing Date”). The successful bidder shall pay for the Bonds in IMMEDIATELY AVAILABLE FEDERAL FUNDS by 11:00 a.m. (prevailing Eastern Time) on the Closing Date. Any expenses of providing immediately available funds shall be borne by the successful bidder. Certain closing documents will be available for delivery in Baltimore, Maryland by the Closing Date. Payment on the Closing Date shall be made in an amount equal to the price bid for the Bonds less the amount of the Deposit.

CUSIP Numbers

CUSIP numbers for the Bonds will be applied for by the Financial Advisor, but the County will assume no obligation for the assignment or printing of such numbers on the Bonds or for the correctness of such numbers, and neither the failure to print such numbers on any of the Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and make payment for the Bonds.

Conflict Waiver

Miles & Stockbridge P.C. is serving as Bond Counsel to the County in connection with the issuance and sale of the Bonds. By placing a bid, each bidder represents to the County that it understands that Miles & Stockbridge P.C., in its capacity as Bond Counsel, represents the County and the successful bidder agrees to waive any conflict of interest arising out of, and consents to, Miles & Stockbridge P.C.’s representation of the County in connection with the issuance and sale of the Bonds to the successful bidder.

Closing Documents

The Bonds will be accompanied by the customary closing documents, including a no-litigation certificate, effective as of the Closing Date, stating that there is no litigation pending against the County affecting the validity of the Bonds and a Tax Certificate and Compliance Agreement signed by the Treasurer of the County.

It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that, simultaneously with or before delivery and payment for the Bonds, the successful bidder shall be furnished a certificate or certificates of the County Executive, Treasurer and Director of Administration of the County to the effect that to the best of their knowledge and belief, the Official Statement (and any amendment or supplement thereto) (except for the Reoffering Information, as to which no view will be expressed) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and that between the date of sale and the date of delivery of the Bonds there has been no material adverse change in the financial position or revenues of the County, except as reflected or contemplated in the Official Statement.

   (d) The Underwriter has an established industry reputation for underwriting new issuances of municipal bonds.

2. Defined Terms,

CERTIFICATE OF MUNICIPAL ADVISOR

The undersigned, on behalf of Davenport & Company LLC (the “Municipal Advisor”), as the municipal advisor to Harford County, Maryland (the “County”) in connection with the issuance of the above-captioned obligations (the “Bonds”), has assisted the County in soliciting and receiving bids from potential underwriters in connection with the sale of the Bonds in a competitive bidding process in which bids were requested for the purchase of the Bonds at specified written terms, and hereby certifies as set forth below with respect to the bidding process and award of the Bonds.

1. The Bonds were offered for sale at specified written terms more particularly described in the Notice of Sale, which was distributed to potential bidders, a copy of which is attached to this certificate as Schedule A.
2. The Notice of Sale was disseminated electronically through ____________. The method of
distribution of the Notice of Sale is regularly used for purposes of disseminating notices of sale of new issuances of
municipal bonds, and notices disseminated in such manner are widely available to potential bidders.

3. To the knowledge of the Municipal Advisor, all bidders were offered an equal opportunity to bid
to purchase the Bonds so that, for example, if the bidding process afforded any opportunity for bidders to review
other bids before providing a bid, no bidder was given an opportunity to review other bids that was not equally given
to all other bidders (that is, no exclusive “last-look”).

4. The County received bids from at least three bidders who represented that they have established
industry reputations for underwriting new issuances of municipal bonds. Copies of the bids received are attached to
this certificate as Schedule B.

5. The winning bidder was [NAME OF UNDERWRITER] (the “Underwriter”), whose bid was
determined to be the best conforming bid in accordance with the terms set forth in the Notice of Sale, as shown in
the bid comparison attached as Schedule C to this Certificate. The County awarded the Bonds to the Underwriter.

The representations set forth in this Certificate are limited to factual matters only. Nothing in this
Certificate represents the Municipal Advisor’s interpretation of any laws, including specifically Sections 103 and
understands that the foregoing information will be relied upon by the County with respect to certain of the
representations set forth in the Tax Certificate and Compliance Agreement executed and delivered by the County in
connection with the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and
by Miles & Stockbridge P.C., as bond counsel to the County, in connection with rendering its opinion that the
interest on any tax-exempt Bonds is excluded from gross income for federal income tax purposes, the preparation of
the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the County from
time to time relating to the Bonds. No other persons may rely on the representations set forth in this Certificate
without the prior written consent of the Municipal Advisor.

Schedule A – Sale Prices of the General Rule Maturities and Initial Offering Prices of the Hold-The-Offering-Price Maturities
Schedule B – Pricing Wire or Equivalent Communication

SECTION 14. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF HARFORD COUNTY, MARYLAND that the County Council, upon request of the County Executive, may, by administrative resolution adopted at any time prior to the sale of the bonds, determine whether the bonds may be sold above par, whether bids may be accepted electronically or by facsimile, change the projects to be constructed with the proceeds of sale of the bonds, and the County Executive, by executive order, may determine or change the Notice of Sale, date or time of sale, the date or time or location of bid opening, the dates of maturity or redemption of the bonds, the amount of the bonds to be sold (but not in excess of $10,965,000) and the amounts of bonds maturing in each year, the interest payment dates of the bonds, appoint paying agent(s) and/or registrar(s) for the bonds, whether ownership of the bonds or other indebtedness shall be maintained in book-entry form, and the terms of sale of the bonds.
SECTION 15. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF

HARFORD COUNTY, MARYLAND that immediately after the sale of the bonds, the interest
rate or rates payable thereon shall be fixed by an administrative resolution of the County Council
or executive order of the County Executive in accordance with the terms and conditions of the
sale of the bonds. The bonds shall thereupon be suitably printed or engraved and duly executed
and delivered to the purchaser (or to the Depository Trust Company if the bonds are book entry)
in accordance with the conditions of delivery set forth in the Notice of Sale. The proceeds of the
sale of the bonds, including any premium and accrued interest received therefor, shall be paid to
the Department of the Treasury of the County and shall be deposited in a special account of the
County. The County may, at its option, deduct from the gross proceeds received from the sale of
the bonds the cost of issuing the same, including the cost of advertising, printing and
professional fees (including legal) and expenses. There shall be deducted from the total gross
proceeds received from the sale of the bonds the amount received on account of accrued interest
(if any) on the bonds, which amount shall be set apart by the Treasurer in a special fund and
applied to the first maturing interest payment on the bonds. The balance of the proceeds of the
sale of the bonds shall be expended only to finance the Projects as set forth in this Bill and as
more particularly described in the Annual Budget and Appropriation Ordinance of the County, as
amended, for the year ending June 30, 2023. If the funds derived from the sale of the bonds shall
exceed the amount needed to finance the Projects, the excess funds so borrowed and not
expended by the County shall be applied by the County in payment of the next principal maturity
of the bonds so issued, unless the County Council shall adopt a resolution or ordinance allocating
said excess funds to finance any lawful modification of the Projects, or to the extent then
permitted by law, any other project lawfully undertaken by the County, as may be provided by
subsequent resolution or ordinance approved by the County Council.
SECTION 16. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF

HARFORD COUNTY, MARYLAND that, to the extent the funds from operation of the water
and sewer systems of the County are insufficient to pay the principal of, premium (if any) and
interest on the bonds, for the purpose of paying the principal of, premium (if any) and interest on
the bonds or other indebtedness authorized by this Bill, there is hereby levied and there shall
hereafter be levied in each fiscal year that any of the bonds or other indebtedness is outstanding,
*ad valorem* taxes on real and tangible personal property and intangible property subject to
taxation by the County without limitation on rate or amount; and, in addition, upon such other
intangible property as may be subject to taxation by the County within limitations prescribed by
law, in an amount sufficient together with funds available from other sources, to pay the annual
interest on the outstanding bonds or other indebtedness and to redeem the bonds or other
indebtedness maturing during the succeeding year; and the full faith and credit and the unlimited
taxing power of the County are hereby irrevocably pledged to the punctual payment of the
principal of and interest on the bonds or other indebtedness as and when they mature. The
County by the passage of this Bill hereby covenants and agrees properly and promptly to
perform all of the respective acts and duties defined in this Bill for the levy and collection of the
aforesaid *ad valorem* tax upon all the assessable property within the corporate limits of the
County, as the levy and collection of such a tax becomes necessary in order to meet the debt
service requirements of the Harford County, Maryland Water and Sewer Bonds, Series 2023. By
this Bill, the County agrees to take all action it may be legally authorized and empowered to take
in order to enforce, in any year in which any of the bonds or other indebtedness are outstanding,
the guarantee of such bonds or other indebtedness by the County.

SECTION 17. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF

HARFORD COUNTY, MARYLAND that as a part or all of the aggregate indebtedness
authorized by this Bill, upon written recommendation of the County Executive and adoption of
the Administrative Resolution (as defined in Section 17B of this Bill), the County shall borrow
upon its full faith and credit and unlimited taxing power of the County a loan (the “Water
Quality Loan”) from the Maryland Water Quality Financing Administration (the “WQFA”), and
shall issue and sell to the WQFA upon its full faith and credit and unlimited taxing power the
bonds in the form of a single, fully-registered bond in the principal amount not to exceed Ten
Million Nine Hundred Sixty-Five Thousand Dollars ($10,965,000) pursuant to the authority of the
Charter, the Code, the Local Government Article of the Annotated Code of Maryland, and Title 9
of the Environment Article of the Annotated Code of Maryland (2014 Replacement Volume and
2021 Supplement) (the “Water Quality Act”) for the upgrade, expansion and improvement of all
or part of the Projects. The sale of the bonds shall be conducted as more fully described in this
Section 17 and the aggregate amount of bonds otherwise authorized by this Bill shall be reduced
by the amount of the bonds sold pursuant to the Water Quality Act. The County hereby
determines to borrow money and incur indebtedness for the public purpose of financing the costs
of the acquisition and development of the Projects which shall include: (i) actual and estimated
costs of the issuance of the bonds, (ii) engineering expenses, (iii) inspection expenses, (iv) fiscal
expenses, (v) legal expenses; and (vi) interest estimated to accrue during the construction and for
24 months on money borrowed or expected to be borrowed. The development costs shall be
more fully described in the Administrative Resolution. It is the intent of the County Council that
the costs of the Projects be financed with the proceeds from the sale of the bonds and that the
County also be reimbursed out of the proceeds of the bonds for all costs of acquisition incurred
by the County; provided, however, that such expenses have been incurred by the County not
more than one (1) year prior to the issuance of the bonds:
A. Each of the Projects shall constitute a "wastewater facility" within the meaning of Section 9-1601 of the Water Quality Act.

B. Such borrowing and indebtedness of the County shall be made and incurred pursuant to Section 9-1606 and Section 9-1614(b) of the Water Quality Act and in accordance with the provisions of a loan agreement between the County, as borrower, and the WQFA (the "Loan Agreement"). The Loan Agreement shall be substantially in such form as is approved by a resolution supplemental to this Bill and passed subsequent to the enactment of this Bill (the "Administrative Resolution") which Administrative Resolution shall set forth the details of the bonds and the terms of the loan, in such manner as shall not be inconsistent with the provisions and requirements of this Bill. The Loan Agreement (the form of which shall be attached to the Administrative Resolution and approved therein) shall contain in its final form such insertions, omissions, variations, or changes (collectively "changes") as may be deemed necessary or appropriate and which shall be acceptable to the County Executive, and the County Executive is hereby authorized, and shall be authorized by the Administrative Resolution, to make changes in the Loan Agreement as the County Executive may deem appropriate.

C. To evidence the payment of obligations of the County under the Loan Agreement, the County shall issue and sell, upon its full faith and credit and unlimited taxing power, the bonds, as general obligation installment bonds in the maximum amount not to exceed Ten Million Nine Hundred Sixty-Five Thousand Dollars ($10,965,000) which shall be in the form of one bond certificate numbered R-1 and shall be designated "Harford County, Maryland Water Quality Bond, Series 2023."

The proceeds from the sale of the bonds shall be generally used for the purposes set forth in this Section 17 as more fully described in the project description as set forth and approved by the Administrative Resolution. The bonds shall be (i) dated as of the date of
delivery to the WQFA, (ii) registered in the name of the WQFA or its designee and (iii) payable in such principal installments and shall bear interest at such rate as shall appear in the executed bond certificate. The maturity of the bonds and the date of final maturity shall appear in the executed bond certificate. In no event shall the final date of maturity of the bonds exceed thirty (30) years from the date of issuance thereof. The interest rate borne by the bonds shall be determined by the WQFA and approved in the Administrative Resolution.

The principal installments payable on the bonds and the rate of interest to be borne thereby (or the manner of determining the principal payments and rate of interest) shall be established by the Administrative Resolution. Such determination of the principal and interest on the bonds shall be in accordance with the terms and conditions of the Loan Agreement. The rate of interest approved by the Administrative Resolution shall in no event exceed the maximum rate permitted by law and such interest rate shall appear in the executed bond certificate.

The form of bond, together with the statement of principal installments (annual or semiannual as shall be finally approved by the County Executive pursuant to this Section 17) and such installments of interest as therein set forth, and all of the covenants and conditions as shall be contained therein and in the Loan Agreement shall be adopted by the County Council pursuant to the Administrative Resolution and any and all covenants and conditions therein contained shall be made binding upon the County, including (without limitation) the promise to pay. Execution of the bond by the County Executive shall constitute conclusive evidence of such approval.

D. The County will also execute and deliver in connection with the issuance of the bonds, additional documents (the "Water Quality Documents") including, but not limited to, the Loan Agreement, and such other documents, agreements, instruments and certificates as the County Executive, upon advice of legal counsel, shall deem necessary or desirable for the
financing of the acquisition of the Projects. Because this Bill is being adopted before all of the
details of the sale of the bonds and the issuance and sale of revenue bonds by the WQFA the
proceeds of which shall be used to make the Water Quality Loan to the County have been
finalized, the County Executive, pursuant to the powers reserved unto him under this Section 17
and as set forth in the Administrative Resolution, is hereby authorized to make changes to the
forms of the bonds and the Water Quality Documents, including insertions therein or additions
thereto or deletions therefrom, as the County Executive may deem necessary to conform the
terms of the bonds and the Water Quality Documents to the terms of the financing to be provided
to the County by the WQFA; provided, however, that such changes, additions or deletions are
not in substance inconsistent with or contrary to the requirements set forth in this Bill or in the
Administrative Resolution.

E. The Loan Agreement and the bonds shall be executed on behalf of and in the
name of the County by the County Executive, such execution to be made by the manual or
facsimile signature of the County Executive as permitted by law. The corporate seal of the
County shall be affixed to or otherwise reproduced on the Loan Agreement and the bonds, and
shall be attested by the manual or facsimile signature of the Director of Administration as
permitted by law. If any officer whose signature shall appear on the bonds or the Water Quality
Documents shall cease to be such officer before the delivery of the bonds or the Water Quality
Documents, such signature shall nevertheless be valid and sufficient for all purposes, the same as
if such officer had remained in office until such delivery. The County Executive is hereby
authorized, empowered and directed to complete the forms of the bonds and the Water Quality
Documents as such forms may be approved by the County Council through the Administrative
Resolution and the County Executive shall make corrections or changes thereto in any manner
which the County Executive, in the County Executive’s discretion, shall deem necessary to
complete the issuance and sale of the bonds and the execution and delivery of the Water Quality Documents, all as may promote the objectives of the County as set forth in this Bill. The Water Quality Documents and the bonds, as executed by the County Executive and attested and sealed as described above, shall be valid and legally binding obligations of the County in accordance with their terms.

F. Notwithstanding any section of the Charter, the Code, Section 19-205 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2021 Supplement) or any other provision of public general or public local law, charter or ordinance, and as authorized by Section 9-1606 of the Water Quality Act, the bonds may be sold at private sale to the WQFA, without public bidding or regard to any limitations on the denomination thereof and at any interest or cost or at any price that the County considers necessary or desirable, and such private sale is determined to be in the best interests of the County. The details of the sale of the bonds shall be determined in accordance with the Administrative Resolution. The bonds shall be sold for cash at not less than par in accordance with the terms and provisions of this Bill and the Administrative Resolution. The County Executive, in the County Executive’s discretion, is expressly authorized and empowered to take any and all action necessary to complete and close the award, sale and delivery of the bonds to the WQFA, including (without limitation) making changes to the form of bond as the County Executive may deem to be necessary or appropriate to comply with WQFA practices and policies applicable from time to time; provided, however, that such actions taken by the County Executive shall not be in substance inconsistent with or contrary to the provisions of this Bill or the Administrative Resolution.

G. The proceeds of sale of the bonds to the WQFA shall be held, invested and administered by the WQFA pursuant to the Loan Agreement and shall be used, when and as
required, to be applied from time to time as and when received by the County to finance costs of
the Projects in compliance with the provisions of the Loan Agreement, the Charter, the Code and
the Water Quality Act. Any balance of the proceeds of the Water Quality Loan remaining
subsequent to payment in full of all the costs of the Projects may be applied to reduce the
principal of the Water Quality Loan in accordance with the terms of the Loan Agreement.

H. For the purpose of paying the principal of, premium (if any) and interest on
the bond when due, the County has established or shall establish a dedicated source of revenues
as shall be described in the Loan Agreement. In the event such revenues are insufficient to meet
the debt service requirements in any fiscal year in which the bonds are outstanding, the County
shall levy in such fiscal year upon all real and tangible personal property within its jurisdictional
limits subject to assessment for unlimited County taxation *ad valorem* taxes in rate and amount
sufficient to provide for the prompt payment of such principal, premium (if any) and interest on
the bonds in such fiscal year, and, if the proceeds from the collection of taxes so levied in any
such fiscal year are inadequate for such payment, additional taxes shall be levied in the
succeeding fiscal year to make up such deficiency. The full faith and credit and unlimited taxing
power of the County are hereby irrevocably pledged to the payment of the principal of, premium
(if any) and interest on the bonds as and when they become due and payable and to the levy and
collection of the taxes hereinabove described as and when such taxes may become necessary in
order to provide sufficient funds to meet the debt service requirements of the bonds. The County
hereby covenants and agrees with the registered owner of the bonds to levy and collect the taxes
hereinabove described and to take any action that may be appropriate from time to time during
the period that the bonds remain outstanding and unpaid to provide the funds necessary to pay
promptly the principal and interest due thereon.
I. The bonds are being issued in connection with the WQFA’s Maryland Water Quality Revolving Loan Fund Program and will evidence the County’s obligation to repay the Water Quality Loan advanced from the proceeds of the sale of revenue bonds issued by the WQFA. The Loan Agreement limits the ability of the County to prepay the bond in accordance with restrictions upon the ability of the WQFA to redeem its revenue bonds. Accordingly, the County may prepay the bonds only in accordance with the provisions of the Loan Agreement and the terms governing prepayment as set forth in the bonds.

J. The County Executive shall be the certifying official for the County responsible for the execution and delivery on the date of the issuance of the bonds of a tax and arbitrage certificate of the County (the “Tax Certificate”) that complies with the requirements of Section 148 of the Internal Revenue Code of 1986, as amended, and the applicable regulations thereunder (“Section 148”). The County Executive is hereby authorized and directed to execute and deliver the tax and arbitrage certificate to counsel rendering an opinion on the excludability from gross income of interest on any tax-exempt bonds for purposes of federal income taxation on the date of the issuance thereof. The Tax Certificate shall set out the reasonable expectations of the County as to relevant facts, estimates and circumstances relating to the use of the proceeds of the bonds or of any moneys, securities or other obligations to the credit of any account of the County which may be deemed to be bond proceeds under Section 148. The County covenants with the registered owner of the bonds that the facts, estimates and circumstances set forth in the Tax Certificate will be based on the County’s reasonable expectations on the date of the issuance of the bonds and will be, to the best of the certifying official’s knowledge, true, correct and complete as of that date.

K. The County covenants and agrees with the registered owner of the bonds that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use
of the bond proceeds that would cause any bond to be an “arbitrage bond” within the meaning of
Section 148. The County further covenants that it will comply with Section 148 to the extent
applicable to the bonds on the date of issuance thereof and which may subsequently lawfully be
made applicable to the bonds. The County further covenants that it shall make such use of the
proceeds of any tax-exempt bonds, to the extent possible regulate the investment of the proceeds
thereof, and take such other and further actions as may be required to maintain the excludability
from gross income, for federal income tax purposes, of interest on tax-exempt bonds. All
officers, employees and agents of the County are hereby authorized and directed to take such
actions, and to provide such certificates of facts and estimates regarding the amount and use of
the proceeds of the bonds, as may be necessary or appropriate from time to time to comply with,
or to evidence the County’s compliance with, the covenants set forth in this Section 17.

L. The principal amount of the bonds to be sold to the WQFA pursuant to the
Water Quality Act shall be determined in a resolution adopted by the County Council upon
written recommendation of the County Executive and shall constitute a portion or all of the Ten
Million Nine Hundred Sixty-Five Thousand Dollars ($10,965,000) principal amount of
indebtedness authorized to be incurred pursuant to this Bill. In no event may the aggregate
indebtedness incurred by the County to finance the Projects pursuant to this Bill exceed Ten
Million Nine Hundred Sixty-Five Thousand Dollars ($10,965,000).

SECTION 18. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF
HARFORD COUNTY, MARYLAND that the County is hereby authorized and empowered
from time to time to issue its bond anticipation notes (or other evidence of indebtedness) on the
full faith and credit and unlimited taxing power of the County in an amount not exceeding Ten
Million Nine Hundred Sixty-Five Thousand Dollars ($10,965,000), the net proceeds of such sale to
be used to finance part or all of the cost of the Projects; the sale of such notes to be upon such
terms as may be directed by resolution of the County Council.

The Treasurer prior to the issuance of any bond anticipation notes or other evidence of
indebtedness of the County shall present the terms of such notes to the County Council for
approval by administrative resolution of the County Council prior to the issuance thereof.

The bond anticipation notes will bear interest at the rate or rates so negotiated by the
Treasurer and approved by administrative resolution of the County Council and the bond
anticipation notes when issued shall be issued in the name of the County by the signature of the
County Executive, the corporate seal of the County shall be imprinted or otherwise reproduced
on the bond anticipation notes and attested by the Director of Administration and shall be used
only for those purposes approved by administrative resolution of the County Council adopted
subsequent to the adoption of this Bill.

The bond anticipation notes shall not be issued in an amount greater than the amount of
bonds or other indebtedness authorized in anticipation of the sale of which the bond anticipation
notes are issued and sold.

The principal of and interest on the bond anticipation notes shall be payable out of the
first proceeds of sale of the bonds, or from the tax or other revenue which the County shall
previously determine to apply to the payment of the bonds and interest thereon.

Twelve (12) months interest on the bond anticipation notes or any renewal thereof may
be paid from the proceeds of sale of the bonds accounting from the initial date of issue thereof.

By administrative resolution of the County Council, the County may provide for the
renewal of the bond anticipation notes at maturity with or without resale.

Immediately after the sale of the bond anticipation notes and approval by resolution of
the County Council, the proceeds of sale of such bond anticipation notes, after payment of
expenses of issuing the same, shall be paid to the County's Department of the Treasury. The
proceeds of sale of the bond anticipation notes shall be expended only to finance the Projects.

SECTION 19. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF
HARFORD COUNTY, MARYLAND that pursuant to Treasury Regulations 1.150-2,
governing the use of bond proceeds for the purpose of reimbursing expenditures paid prior to the
issuance of bonds, and as permitted by Treasury Regulations 1.150-2(e)(1), the Treasurer is
hereby duly designated to make declarations of Official Intent on behalf of the County. The
County expects that all or a part of the capital expenditures for the Projects will be paid prior to
the issuance of the bonds authorized herein, and that the proceeds of the bonds will be used to
reimburse the County for capital expenditures paid prior to the issuance of the bonds. The
County reasonably expects to reimburse a portion of the capital expenditures for the Projects
with proceeds of the bonds, in the maximum principal amount of Ten Million Nine Hundred
Sixty-Five Thousand Dollars ($10,965,000), and this Bill shall be available for public inspection
at the offices of the County during regular business hours and in accordance with the laws of the
State of Maryland and the County, regarding access to public records. The maximum principal
amount of debt which is expected to be issued for the Projects is $10,965,000.00

SECTION 20. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF
HARFORD COUNTY, MARYLAND that the County covenants and agrees with the registered
owners, from time to time, of the bonds as follows:

(a) The County covenants that it will not make any use of the proceeds of any of
the bonds or any moneys, securities or other obligations on deposit to the credit of the County or
otherwise which may be deemed by the Internal Revenue Service to be proceeds of any of the
bonds pursuant to the Internal Revenue Code of 1986, as amended, and Income Tax Regulations
thereunder (collectively, the “Tax Code”), which would cause any of the bonds to be “arbitrage bonds” or “private activity bonds” within the meaning of the Tax Code.

(b) The County further covenants that it will comply with those provisions of the Tax Code that are applicable to the bonds on the date of issuance thereof and which may subsequently lawfully be made applicable thereto. To the extent that provisions of the Tax Code apply to only a portion of the bonds, proceeds of the bonds or other moneys, securities or other obligations deemed to be proceeds, it is intended that the covenants of the County contained in this Section 20 be construed so as to require the County to comply with the provisions of the Tax Code only to the extent of such applicability.

(c) The County further covenants that it will not (i) take any action, (ii) fail to take any action, or (iii) make any use of the proceeds of any tax-exempt bonds which would cause the interest on any tax-exempt bonds to be or become subject to federal income taxes in the hands of the registered owners of any tax-exempt bonds.

(d) The County further covenants, in order to assist bidders in complying with SEC Rule 15c2-12(b)(5), pursuant to a continuing disclosure agreement (the “Continuing Disclosure Agreement”) signed by the County Executive, Treasurer and Director of Administration, to provide annual reports and notices of certain events. The undertaking of the County in the Continuing Disclosure Agreement shall be described in any Preliminary Official Statement and Official Statement and any amendment or supplement thereto.

**SECTION 21. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF HARFORD COUNTY, MARYLAND** that upon recommendation of the County Executive, the County Council may adopt a resolution pursuant to Section 19-101 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2021 Supplement) authorizing the loan authorized to be incurred and the bonds authorized to be sold by this Bill, to
be consolidated for sale and issued, sold and delivered as a single issue of bonds with other
bonds authorized to be sold to finance capital projects described in the Annual Budget and
Appropriation Ordinances, as amended, for the current fiscal year and/or prior or subsequent
fiscal years. Any bonds or other indebtedness of the County issued hereunder may be issued on
a tax-exempt and/or taxable basis.

SECTION 22. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF
HARFORD COUNTY, MARYLAND that the provisions of this Bill are severable, and if any
provision, sentence, clause, section or part hereof is held illegal, invalid or unconstitutional or
inapplicable to any person or circumstances, such illegality, invalidity or unconstitutionality, or
