3 Proceeds of any bonds or other obligations authorized by this Act may also be used to pay costs of
4 issuance of such bonds or other obligations.

5 **Section 2. And be it further enacted by the County Council of Howard County, Maryland,**
6 That, pursuant to and in accordance with Section 19-212 of the Local Government Article of the Annotated
7 Code of Maryland, as amended, the County is also authorized to issue bond anticipation notes in
8 anticipation of the issuance of the bonds or other obligations authorized by this Act and described in Section

18 **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**
19 That, in connection with the acquisition of real property as part of a Project, the County may incur all or

23 acquisition. The principal amount of any such installment purchase agreement shall not exceed the lesser
24 of (a) the maximum principal amount permitted by Section 4.201A or (b) the portion of the amount to be
25 borrowed for such Project (as set forth in Section 1 hereof) which relates to such acquisition. All references

1 to "bonds" or "obligations" in this Act shall include such installment purchase agreements, unless the
2 context clearly requires a contrary meaning.

3 **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

4 That the County Council of the County, by an ordinance or ordinances adopted from time to time in
5 accordance with Article VI of the Charter and other applicable provisions of law and policies of the County,
6 shall provide for (a) the issuance and sale of, (b) the maximum principal amount, designation, form, tenor
7 and denomination or denominations of, (c) the dates of the first maturity and the last maturity (not more
8 than 30 years after the date of issue) of, and (d) the interest rate or rates per annum (or the method of
9 determining such rate or rates) payable on, any bonds or other obligations issued from time to time under
10 this Act; and may by any such ordinance, or by separate resolution, provide that the issue of bonds or other
11 obligations hereby authorized be consolidated with one or more other issues.

12 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

13 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same
14 shall become payable, the County Council of Howard County shall levy annually ad valorem taxes upon
15 the assessable property in the County sufficient, together with building excise taxes and other available
16 funds, to pay the principal of and interest on such bonds or other obligations until all of such bonds or other
17 obligations shall mature and be redeemed. The full faith and credit and unlimited taxing power of the
18 County are hereby irrevocably pledged to the payment of the principal of and interest on such bonds or
19 other obligations.

20 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

21 That any bonds or other obligations issued from time to time under this Act are specifically exempt from
22 the provisions of Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of
23 Maryland, as amended, and any successor provision of law.

24 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

25 That all bonds or other obligations authorized hereby shall be issued within four years from the date this
26 Act becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such

1 period in accordance with Section 2 hereof, the bonds or other obligations authorized hereby may be issued
2 until the final maturity date of such notes.

3 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**
4 That the County anticipates that a portion of the costs of some or all of the Projects may be paid prior to the
5 issuance of the bonds or other obligations authorized hereby. The amount of such costs so paid will depend
6 on various factors, including, without limitation, the timing and speed of progress on the Projects, the
7 availability of other funds to pay such costs on an interim basis, bond and money market conditions and
8 compliance with federal and State laws and regulations.

9 Accordingly, the County reasonably expects to reimburse costs of the Projects (as described herein)
10 with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations to be
11 issued by the County in the maximum principal amount of \$11,692,305.

12 **Section 9. And be it further enacted by the County Council of Howard County, Maryland,**
13 That this Act shall take effect sixty-one (61) days after its enactment.
