The principal of and interest on such Notes 4 5 are payable from the first proceeds of sale of such bonds or from tax or other revenue that the County makes available for the payment of such Notes and the interest thereon. As of 6 7 the date of introduction of this Ordinance, the actual principal amount of the Notes 8 outstanding is \$37,609,720.

9 The outstanding Notes were issued in anticipation of the issuance of the County's 10 consolidated public improvement bonds and metropolitan district bonds, and the County 11 authorized the issuance of such bonds in one or more series pursuant to Council Bill No. 12 34-2006 enacted by the County Council and effective on June 7, 2006, as amended and 13 supplemented from time to time (as so amended and supplemented and together with this 14 Ordinance, the "Master Bond Ordinance"). The Master Bond Ordinance provides that 15 prior to the issuance of any series of such bonds, the County Council shall enact an 16 ordinance supplemental thereto to specify and provide for various matters in connection 17 with the issuance and sale of such bonds, as provided in the Master Bond Ordinance.

18 Section 19-101 of the Local Government Article of the Annotated Code of 19 Maryland (2013 Replacement Volume and 2021 Supplement) and the Consolidated Public 20 Improvement Bond Enabling Laws provide that the County Council may provide that 21 bonds authorized to be issued by separate acts of enabling legislation shall be consolidated 22 for sale and issued, sold and delivered as a single issue of bonds.

The County Council has determined that it is in the best interest of the County to
 consolidate bonds issued, sold and delivered pursuant to the Consolidated Public
 Improvement Bond Enabling Laws (the "Consolidated Public Improvement Bonds") from
 time to time.
 Pursuant to the Metropolitan District Bond Enabling Law, bonds authorized

5 Pursuant to the Metropolitan District Bond Enabling Law, bonds authorized 6 thereunder may be consolidated for sale and issued, sold and delivered as a single issue of 7 bonds.

8 The County Council has determined that it is in the best interest of the County to 9 consolidate bonds issued, sold and delivered pursuant to the Metropolitan District Bond 10 Enabling Law (the "Metropolitan District Bonds") from time to time.

11 Now, therefore, be it enacted by the County Council of Howard County,
12 Maryland:

13 Section 1. All terms used herein which are defined in the Recitals hereof shall
14 have the meanings given such terms therein.

15 Section 2. It is hereby found, determined and declared as follows:

16 It is in the best interest of the County to issue the Consolidated Public (1)Improvement Bonds pursuant to and in accordance with the Consolidated Public 17 18 Improvement Bond Enabling Laws and the Master Bond Ordinance in the aggregate principal amount of \$150,000,000 or such lesser principal amount as may be specified in 19 an Executive Order in accordance with Section 14 hereof, for the purpose of (a) paying the 20 principal amount of the Notes (the "Refunded Notes") and expenses required to be paid 21 pursuant to a line of credit secured by such Notes (together with the Refunded Notes, the 22 "Refunded Obligations"), the proceeds of which have been or will be used, after payment 23

-4-

of certain costs, fees and expenses incurred in the issuance thereof, to pay or refinance a 1 2 portion of the costs of capital projects authorized by the Consolidated Public Improvement Bond Enabling Laws, as specified in Appendix A hereto (the "Public Improvement Capital 3 Projects"). (b) defraying a portion of the costs of Public Improvement Capital Projects not 4 5 funded with proceeds of the Notes (the "Other Public Improvement Capital Projects"), and 6 (c) paying the costs, fees and expenses incurred in the issuance and sale of the Consolidated 7 Public Improvement Bonds, in each case to the extent that such costs are not payable from 8 other sources, as specified in an Executive Order in accordance with Section 14 hereof.

9 (2)It is in the best interest of the County to issue the Metropolitan District 10 Bonds pursuant to and in accordance with the Metropolitan District Bond Enabling Law 11 and the Master Bond Ordinance in the aggregate principal amount of \$50,000,000, or such 12 lesser principal amount as may be specified in an Executive Order in accordance with Section 14 hereof, for the purpose of (a) paying the Refunded Obligations, the proceeds of 13 14 which have been or will be used, after the payment of certain costs, fees and expenses 15 incurred in the issuance thereof, to pay or refinance a portion of the costs of capital projects authorized by the Metropolitan District Bond Enabling Law, as specified in Appendix A 16 hereto (the "Metropolitan District Capital Projects"), (b) defraying a portion of the costs of 17 Metropolitan District Capital Projects not funded with the proceeds of the Notes (the 18 "Other Metropolitan District Capital Projects"), and (c) paying the costs, fees and expenses 19 20 incurred in the issuance and sale of the Metropolitan District Bonds, in each case to the 21 extent such costs are not payable from other sources, as specified in an Executive Order in 22 accordance with Section 14 hereof.

-5-

The outstanding general obligation indebtedness of the County on June 30, 1 (3)2022 (exclusive of indebtedness issued or guaranteed by the County that is payable 2 primarily or exclusively from taxes levied in or on, or other revenues of, special taxing 3 areas or districts heretofore established by law and indebtedness issued for self-liquidating 4 and other projects payable primarily or exclusively from the proceeds of the assessments 5 or charges for special benefits or services), plus the \$150,000,000 aggregate principal 6 amount of Consolidated Public Improvement Bonds authorized hereby is equal to 7 \$1,349,150,000. The full cash value assessable base of the County on June 30, 2022 was 8 \$58,882,342,029. As of the date of enactment of this Ordinance, the issuance of the 9 aggregate principal amount of Consolidated Public Improvement Bonds authorized by this 10 Ordinance is within every debt and other limitation prescribed by the Constitution and 11 12 Laws of the State of Maryland and the Charter.

Current market conditions are volatile and an inflexible approach to 13 (4)borrowing by the County threatens its ability to initiate necessary capital projects and will 14 15 diminish the resources available to provide for the needs of the citizens of the County in 16 the future, and the interests of the County are best served by providing the County with reasonable flexibility in accessing the capital markets. Accordingly, any sale of 17 18 Consolidated Public Improvement Bonds and Metropolitan District Bonds (collectively, "Bonds") pursuant to this Ordinance by private negotiation will provide significant benefits 19 to the County which would not be achieved if such Bonds were sold at public sale and is 20 21 in the County's best interest.

(5) The probable remaining average useful life of (a) the Public Improvement
Capital Projects financed and refinanced with proceeds of the Refunded Obligations and

-6-

to be refinanced with the proceeds of the Consolidated Public Improvement Bonds and (b)
the Other Public Improvement Capital Projects (if any) is more than 25 years, and all of
the Consolidated Public Improvement Bonds shall be payable within such probable average
useful life.

5 (6) The probable remaining average useful life of (a) the Metropolitan District 6 Capital Projects financed and refinanced with proceeds of the Refunded Obligations and 7 to be refinanced with the proceeds of the Metropolitan District Bonds and (b) the Other 8 Metropolitan District Capital Projects (if any) is more than 35 years, and all of the 9 Metropolitan District Bonds shall be payable within 30 years of the date of their issuance.

Section 3. The Bond Enabling Laws authorize the County to borrow money to
pay the costs of certain capital projects specified in the County's Fiscal Year 2023 Capital
Budget and in Appendix A attached hereto.

Section 4. (a) Pursuant to the authority contained in the Consolidated Public Improvement Bond Enabling Laws, and in accordance with the Master Bond Ordinance, the County shall borrow money upon the full faith and credit of the County and shall issue and sell Consolidated Public Improvement Bonds upon the full faith and credit of the County from time to time in the aggregate principal amount of \$150,000,000 or such lesser principal amount as may be specified in an Executive Order in accordance with Section 14 hereof.

20 (b) The Consolidated Public Improvement Bonds shall be dated the date of their21 delivery.

-7-

The Consolidated Public Improvement Bonds may be issued in one or a 1 (c) combination of serial bonds, installment bonds, or term bonds as may be specified in an 2 Executive Order in accordance with Section 14 hereof. 3

4

The maturity dates of the Consolidated Public Improvement Bonds shall be (d) such dates as shall be specified in an Executive Order in accordance with Section 14 hereof, 5 provided that the date of the last maturity of the Consolidated Public Improvement Bonds 6 shall not be later than 20 years after the date of delivery of the Consolidated Public 7 8 Improvement Bonds.

The proceeds of the Consolidated Public Improvement 9 Section 5. (a) Bonds shall be paid to the Director of Finance of the County (the "Director of Finance") 10 and shall be set apart in an account or accounts and applied as follows: 11

All or a portion of the proceeds of the Consolidated Public 12 (i) Improvement Bonds, as specified in an Executive Order, shall be applied first to the 13 payment of all or a portion of the principal of the Refunded Obligations. The actual cost 14 of each Public Improvement Capital Project, which has been financed or refinanced from 15 the proceeds of the sale of the Notes, is set forth in Appendix A hereto in the column 16 captioned "Bond Anticipation Note Funded," which amount may be updated from time to 17 time to account for any Public Improvement Capital Project subsequently financed or 18 refinanced from the proceeds of the sale of the Notes. 19

The remaining proceeds of the Consolidated Public Improvement 20 (ii) Bonds, if any, shall be applied (A) to the payment of costs, fees and expenses incurred in 21 the issuance and sale of the Consolidated Public Improvement Bonds, to the extent such 22 costs, fees and expenses are not paid from other sources, and (B) to defray a portion of the 23

-8-

1 costs of Other Public Improvement Capital Projects. The actual costs of the Other Public
2 Improvement Capital Projects to be defrayed from the proceeds of the Consolidated Public
3 Improvement Bonds, if any, shall be determined by the Director of Finance, provided that
4 the amount so applied shall not exceed the difference between the amount set forth in
5 Appendix A in the column captioned "Unsold Bonds" for the Other Public Improvement
6 Capital Projects and the amount of proceeds of the Notes applied to finance the costs of the
7 Other Public Improvement Capital Projects.

8 No proceeds of the Consolidated Public Improvement Bonds will be applied in any
9 way which would violate the covenants contained in Section 16 hereof.

10 Notwithstanding the foregoing, the Director of Finance is hereby authorized to 11 reallocate the proceeds of the Consolidated Public Improvement Bonds to the payment of 12 any other costs of Other Public Improvement Capital Projects which could have been 13 financed with the proceeds of the Notes or Consolidated Public Improvement Bonds in 14 accordance with the Bond Enabling Laws and this Ordinance, respectively, in the event that it is determined after the enactment of this Ordinance and the initial application of the 15 16 proceeds of the Consolidated Public Improvement Bonds that any of the amounts financed 17 with proceeds of the Notes or Consolidated Public Improvement Bonds should not have 18 been funded with proceeds thereof, whether as a result of the receipt of a grant for such 19 purpose or for any other reason. Any such reallocation shall be made to any one or more 20 of the Other Public Improvement Capital Projects in such manner and in such amounts as 21 the Director of Finance shall determine in his discretion.

22

The provisions of this Section shall be subject in all respects to Section 16 hereof.

-9-

The costs of each Public Improvement Capital Project and Other Public 1 (b) Improvement Capital Project (if any) shall include, without limitation, the cost of planning, 2 design, construction, reconstruction, furnishing, equipping, improvements, renovations, 3 remodeling, enlargements, engineering services, architects' services, surveys, landscaping, 4 site development, evaluation studies, land acquisition and related items, appurtenances and 5 incidental activities. The estimated cost of each Public Improvement Capital Project and 6 Other Public Improvement Capital Project and the other sources of funds for each Public 7 8 Improvement Capital Project and Other Public Improvement Capital Project are set forth in Appendix A. Such other sources of funds shall include, without limitation, the amount 9 shown in the column captioned "Unsold Bonds" for each such Public Improvement Capital 10 Project and such Other Public Improvement Capital Project (if any) as listed in Appendix 11 A, which amounts shall be paid from prior or subsequent bond or bond anticipation note 12 issues of the County, from such other sources as the County may hereafter determine and, 13 for the Other Public Improvement Capital Projects, from the proceeds of the Consolidated 14 15 Public Improvement Bonds.

16 (c) Any remaining proceeds shall be used to pay the interest on or the principal

Section 7. No Notes shall be issued to pay the principal of any Refunded
Obligations on or after the date of delivery of Bonds issued to provide for such payment.

12 Section 8. (a) Pursuant to the authority contained in the Metropolitan 13 District Bond Enabling Law, and in accordance with the Master Bond Ordinance, the 14 County shall borrow money upon the full faith and credit of the County and shall issue and 15 sell Metropolitan District Bonds upon the full faith and credit of the County from time to 16 time in the aggregate principal amount of \$50,000,000, or such lesser principal amount as 17 may be specified in an Executive Order in accordance with Section 14 hereof.

18 (b) The Metropolitan District Bonds shall be dated as of the date of their19 delivery.

20 (c) The Metropolitan District Bonds may be issued in one or a combination of
21 serial bonds, installment bonds, or term bonds as may be specified in an Executive Order

16 (ii) The remaining proceeds of the Metropolitan District Bonds, if any, shall be applied (A) to the payment of costs, fees and expenses incurred in the issuance and 17 18 sale of the Metropolitan District Bonds, to the extent such costs, fees and expenses are not paid from other sources, and (B) to defray a portion of the costs of Other Metropolitan 19 District Capital Projects. The actual costs of the Other Metropolitan District Capital 20 Projects to be defrayed from the proceeds of the Metropolitan District Bonds, if any, shall 21 be determined by the Director of Finance, provided that the amount so applied shall not 22 exceed the difference between the amount set forth in Appendix A in the column captioned 23

"Unsold Bonds" for the Metropolitan District Capital Projects and the amount of proceeds
 of the Notes applied to finance the costs of the Other Metropolitan District Capital Projects.

Any such reallocation shall 13 be made to any one or more of Other Metropolitan District Capital Projects in such manner 14 15 and in such amounts as the Director of Finance shall determine in his discretion.

16 (b) The costs of each Metropolitan District Capital Project and Other Metropolitan District Capital Project shall include, without limitation, the cost of planning, 17 design, construction, reconstruction, furnishing, equipping, improvements, renovations, 18 19 remodeling, enlargements, engineering services, architects' services, surveys, landscaping, 20 site development, evaluation studies, land acquisition and related items, appurtenances and incidental activities. The estimated cost of the Metropolitan District Capital Projects and 21 Other Metropolitan District Capital Projects and the other sources of funds for such capital 22 23 projects are set forth in Appendix A. If the County Executive shall determine in accordance with this Section to sell any Bonds at a public sale through the solicitation of competitive bids, then the County

-15-

Executive may sell such Bonds in accordance with such procedures as shall be determined
 by the County Executive.

Bonds issued under this Ordinance are hereby specifically exempted from the provisions of Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2021 Supplement).

11 Section 14. Notwithstanding any provisions of the Bond Enabling Laws to the contrary, subject to and in accordance with the provisions of this Ordinance, the County 12 Executive shall determine by Executive Order, for each and every Bond or series of Bonds 13 issued pursuant to and in accordance with this Ordinance, all matters relating to the sale, 14 issuance, delivery and payment of the Bonds, including (without limitation) the purposes 15 for which such Bonds are issued, the date or dates of sale of the Bonds, the designation of 16 the Bonds, the date of delivery of the Bonds, the authorized denominations for the Bonds, 17 the redemption provisions, if any, pertaining to the Bonds, the manner of authentication 18 19 and numbering of the Bonds, the date from which interest on the Bonds shall accrue, the rate or rates of interest borne by the Bonds or the method of determining the same, the 20 interest payment and maturity dates of the Bonds, including provisions for mandatory 21 sinking fund redemption of any term bonds, the forms of the Bonds, whether the Bonds are 22 to be issued in book-entry form and all matters incident to the issuance of Bonds in book-23

 provisions of such Bonds on behalf of the County.

4 Section 15. In connection with the issuance of any Bonds pursuant to this 5 Ordinance, the County is hereby authorized to enter into one or more agreements as the 6 County Executive shall deem necessary or appropriate for the issuance, sale, delivery or 7 security of such Bonds, which may include (without limitation) (i) underwriting, purchase 8 or placement agreements for Bonds sold at private (negotiated) sale in accordance with the 9 provisions of this Ordinance; (ii) trust agreements with commercial banks or trust 10 companies providing for the issuance and security of such Bonds; (iii) any dealer, 11 remarketing or similar agreements providing for the placement or remarketing of such Bonds; (iv) agreements providing for any credit or liquidity facilities supporting any 12 Bonds; (v) agreements with commercial banks or trust companies providing for the deposit 13 14 of proceeds of any Bonds; (vi) agreements with fiscal agents providing for the issuance of Bonds, their authentication, registration or payment or other similar services; (vii) 15 16 continuing disclosure agreements, including any such agreements required to enable the 17 underwriters of any Bonds to meet the requirements of paragraph (b)(5) of Rule 15c2-12 promulgated by the United States Securities and Exchange Commission (the "SEC"); (viii) 18 agreements with a data collection and disclosure institution to enable the County to 19 20 research and post accurate disclosures related to any Bonds in accordance with the rules 21 and regulations approved by the SEC; and (ix) agreements with dissemination agents to 22 collect and post continuing disclosure information and event notices to meet certain requirements of the SEC. Each such agreement shall be in such form as shall be determined 23

by the County Executive by Executive Order. The execution and delivery of each such
 agreement by the County Executive shall be conclusive evidence of the approval of the
 form of such agreement on behalf of the County.

The County hereby covenants with each of the holders of any Bonds, Section 16. 4 the interest on which is expected to be excludable from federal income taxation (such 5 Bonds being referred to herein collectively as "Tax-Exempt Obligations"), that it will not 6 use, or suffer or permit to be used, the proceeds received from sale of such Tax-Exempt 7 Obligations, or any moneys on deposit to the credit of any account of the County which 8 may be deemed to be proceeds of such Tax-Exempt Obligations, pursuant to Section 148 9 ("Section 148") of the Internal Revenue Code of 1986, as amended (the "Code"), and 10 11 applicable regulations thereunder, which use would cause such Tax-Exempt Obligations to be "arbitrage bonds" within the meaning of Section 148 and the regulations thereunder. 12 The County further covenants that it will comply with Section 148 and the regulations 13 thereunder which are applicable to Tax-Exempt Obligations on the date of issuance of such 14 Tax-Exempt Obligations and which may subsequently lawfully be made applicable to such 15 Tax-Exempt Obligations. The County Executive, the County Administrative Officer and 16 the Director of Finance shall be officers of the County responsible for issuing any Tax-17 Exempt Obligations. The County Executive or the Director of Finance is hereby authorized 18 and directed to prepare or cause to be prepared and to execute, any certification, opinion 19 or other document which may be required to assure that such Tax-Exempt Obligations will 20 not be deemed to be "arbitrage bonds" within the meaning of Section 148 and the 21 22 regulations thereunder.

1 The County is hereby authorized to take any and all actions as may be necessary or 2 desirable to assure that interest on Tax-Exempt Bonds is and remains excludable from gross 3 income for federal income tax purposes.

The County is hereby authorized to take any and all actions as may be necessary or desirable to assure that any Bonds authorized by this Ordinance are allowed a tax credit, that the County is entitled to a subsidy from the United States of America or any agency or instrumentality thereof with respect to such Bonds or the interest payable thereon, or that any such Bond or the interest thereon is entitled to any other available benefits under the Code (any such Bonds being referred to herein as "Tax Advantaged Obligations"). Any such actions may be authorized by an order of the County Executive.

11 The County Executive is hereby authorized to make such covenants or agreements 12 in connection with the issuance of any Tax-Exempt Obligations or Tax Advantaged 13 Obligations as he shall deem advisable in order to assure (i) the holders of any such Tax-14 Exempt Obligations that interest thereon shall be and remain exempt from federal income 15 taxation, (ii) the holders of any such Tax Advantaged Obligations that such Tax 16 Advantaged Obligations will be entitled to such benefits, and (iii) that the County is entitled 17 to any subsidy available for any such Tax Advantaged Obligations. Such covenants or 18 agreements shall be binding on the County so long as the observance by the County of any 19 such covenants or agreements is necessary in connection with the maintenance of the 20 exemption from federal income taxation of the interest on such Tax-Exempt Obligations 21 or the entitlement of such Tax Advantaged Obligations to such benefits, respectively. The 22 foregoing covenants and agreements may include (without limitation) covenants or 23 agreements on behalf of the County relating to the investment of proceeds of such Tax-

-19-

Exempt Obligations or Tax Advantaged Obligations, the rebate of certain earnings resulting from such investment to the United States of America (or the payment of penalties in lieu of such rebate), limitations on the times within which, and the purposes for which, such proceeds may be expended or the utilization of specified procedures for accounting for and segregating such proceeds. Any covenant or agreement made by the County Executive pursuant to this paragraph in an order or certificate executed by the County Executive shall be binding upon the County.

In furtherance of the foregoing, in order to qualify for and maintain the tax-exempt 8 status of any Tax-Exempt Obligations or the benefits inuring with respect to any Tax 9 Advantaged Obligation, the County Executive shall be authorized to make any elections or 10 designations permitted or required under the Code, to apply for an allocation from the State 11 of Maryland or the federal government in the case of Bonds or Notes subject to any volume 12 limitation and to apply for any tax credit, to take such actions as shall be necessary to permit 13 any tax credit to be stripped and sold separately from the ownership interest in any Tax 14 Advantaged Bond and to claim any cash subsidy with respect to any Tax Advantaged 15 Obligation. It is confirmed that the County Executive is authorized to declare official intent 16 to reimburse expenditures from proceeds of Tax Advantaged Obligations. 17

For purposes of establishing compliance with Section 148 of the Code regarding the expenditure of proceeds of Tax-Exempt Obligations or Tax Advantaged Obligations, the source of Capital Projects Fund monies for capital expenditures may be specifically attributed to funds deposited to the Capital Projects Fund as a reimbursement from the proceeds of County debt issuances in accordance with a certificate executed by the County Executive.

-20-

1 It is confirmed that bond premium, consisting of net bond proceeds from the sale 2 of bonds sold at a price above par, may be allocated for expenditure purposes permitted 3 under provisions of federal income tax law pertaining to excludability of interest on the 4 bonds from gross income or the tax status of Tax Advantaged Obligations, as applicable.

Section 17. In accordance with the provisions of Section 402(a) of the Charter,
the County Executive is hereby authorized to delegate to the Chief Administrative Officer
the power and authority to take any and all actions required or permitted to be taken by the
County Executive pursuant to this Ordinance.

9 Section 18. (a) This Ordinance shall be supplemental to the Master Bond 10 Ordinance and shall be a "Supplemental Ordinance" as defined therein; provided, however, 11 that to the extent that any of the terms and provisions of this Ordinance conflict with the 12 terms and provisions of the Master Bond Ordinance, the terms and provisions of this 13 Ordinance shall control.

(b) It is hereby found and determined that the modification and
supplementation of the Master Bond Ordinance, as provided herein, is in the best interest
of the County and is not adverse to the interests of the holders of the Notes.

17 (c) Except as hereby or heretofore supplemented, the Master Bond Ordinance
18 shall remain in full force and effect; and the Master Bond Ordinance, as so modified and
19 supplemented, is ratified and confirmed.

20 (d) On and after the date of enactment hereof, all references to "Bond
21 Ordinance" in the Note Ordinance or the Master Bond Ordinance shall mean the Master
22 Bond Ordinance as supplemented hereby.

-21-

1 Section 19. If any one or more of the provisions of this Ordinance, including any 2 covenants or agreements provided herein on the part of the County to be performed, should 3 be contrary to law, then such provision or provisions shall be null and void and shall in no 4 way affect the validity of the other provisions of this Ordinance or of the Bonds.

5

Section 20. This Ordinance shall take effect on the date of its enactment.

SUBJECT – Testimony for Ordinance Authorizing Bond Sale

August 12, 2022

To: Lonnie R. Robbins Chief Administrative Officer

From: Rafiu O. Ighile R. Director of Finance

The proposed legislation will authorize the County to sell bonds to finance certain capital projects as well as use the sale proceeds to retire outstanding short-term debt (Bond Anticipation Notes). Council Bill 35-2022, Council Bill 36-2022, Council Bill 37-2022, Council Bill 38-2022, Council Bill 39-2022, Council Bill 40-2022 and Council Bill 41-2022 authorized the issuance of bonds for the projects included in this legislation as part of the FY 2023 Capital Budget.

The bonds are expected to be sold in March 2023. As has been done in the past, the specific terms of the sale will be specified by Executive Order based upon market conditions at the time of the sale. The sale is expected to include up to \$150,000,000 for Consolidated Public Improvement (general county), and up to \$50,000,000 for Metropolitan District (water and sewer) bonds.

Fiscal Impact

The Department does not anticipate any fiscal impact in the current year as debt service begins the year following issuance. The fiscal impact in future years will depend on actual amount of bonds issued and interest rates.
