SUBTITLE 2. ADMINISTRATION

DIVISION 14A. BUILDING CONTRACTOR'S LICENSE

Sec. 2-253.09. Application; fee; qualifications.

(b) Any person desiring to be licensed as a building contractor in Prince George's County shall make and file with the Director a written application on a form approved by the board. Each application shall be accompanied by the application fee prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. The applicant shall furnish information which shall remain confidential for use of the board only as to the application's character references and financial responsibility, such responsibility may be shown by one or more of the following: Bank business reference and past record with lending institutions, financial statements, credit rating from an independent credit rating institution, bond, or other evidence of financial responsibility which the board exercise its expertise in the building field may find sufficient. The bond to be used to satisfy the requirement of financial responsibility shall be [in the amount of Two Thousand Dollars (\$2,000.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. The bond shall be conditioned that the licensee shall perform all work done by the applicant in the County in accordance with the Building Code and law of the County and State. The County or any person damaged by failure of the licensee to comply with such Code and laws may proceed against such bond in any court of competent jurisdiction. The bonding provision may be satisfied if the applicant has obtained a bond [in at least the amount of Two Thousand Dollars (\$2,000.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website, in connection with an organized program approved by the board which provides the same protection to the public set forth herein.

Sec. 2-253.11. Term of licenses; renewals.

Licenses issued under this Division shall be valid for one year from the date of issuance and may be renewed upon application to the Director. Applicants for renewal shall pay to the County at the time of filing such application fee [of Fifty Dollars (\$50.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website.

Sec. 2-153.12. Display; duplicates.

Holders of licenses issued under this Division shall display the same in a prominent place at their place of business and, upon demand, shall give the number of the license to any person who shall demand the same. If any license is lost, defaced or destroyed, the licensee may obtain a duplicate upon application to the Director and payment of a fee [of Ten Dollars (\$10.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website.

SUBTITLE 23. ROADS AND SIDEWALKS

DIVISION 1. GENERAL PROVISIONS

Sec. 23-115. Permit fees.

- (a) The fee as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website, for issuance of any road construction permit required by this ordinance, excepting a utility permit fee for a public utility, small wireless facility permit fee for work in the public right-of-way, or a haul road permit fee for operation of a haul road, shall be ten percent (10%) of the cost of the work as estimated by the Department. The estimated cost for this purpose shall not include the contingency allowance. In no event, shall the amount of the fee be less than Twenty-Five Dollars (\$25.00). The fee for issuance of any road construction permit shall be dedicated solely to the provision of staff and administrative services used to issue road construction permits, subject to appropriation.
- (b) The Director shall establish and maintain a Table of Fees for all types of permits and shall have the authority to change the fees from time to time pursuant to Section 2-253.63(d) and (e).
- (c) A nonrefundable filing fee shall be charged to process an application for a road construction permit. The filing fee for a road construction permit shall be as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website, [one-third (1/3) of the estimated permit fee,] but not less than Twenty-five Dollars (\$25.00). If bond and fee are posted within the time allotted as set forth in Section 23-114(c), the filing fee will be credited toward payment of the permit fee. Where an application fails to result in the issuance of a permit, the filing fee will be retained to offset the administrative costs incurred.

* * * * *

Sec. 23-122. Extension; fees for extension.

* * * * *

(b) Fee for extension:

- (1) A fee in the amount of twenty-five percent (25%) of the original permit fee as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website, but not less than Twenty-Five Dollars (\$25.00), shall be charged for an extension of a valid permit (not to include road construction, utility permits, small wireless facility permits, or haul road permits).
- (2) The fee for an extension of a road construction permit shall be twenty-five percent (25%) of the original permit fee. Where the percentage of completion of a road construction permit exceeds ninety percent (90%) as determined by the Department, the permit fee shall be a maximum [of Seven Hundred Fifty Dollars (\$750.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website.
- (3) The fee for extension of a utility permit and a small wireless facility permit for work in the public right of way are established in the Table of Fees published by the Director. These fees are further explained in the "Specifications and Standards for Roadways and Bridges," the "Design Manual for Small Wireless Facilities," and the "Policy and Specification for Utility Installation and Maintenance."

SUBTITLE 32. WATER RESOURCES PROTECTION AND GRADING CODE

DIVISION 1. ADMINISTRATIVE PROVISIONS

SUBDIVISION 2. GENERAL PROVISIONS

Sec. 32-120. Fee Schedule.

- (a) Fees for work performed in connection with the Grading, Drainage and Pollution Control Division shall be set by the Director in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website.
- (1) General. No permit to begin work for new grading shall be issued until the fees have been paid to Prince George's County, nor shall an amendment or revision to a permit necessitating an additional fee be approved until the additional fee has been paid. The minimum fee for a grading permit shall be as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. A nonrefundable filing fee for grading, storm drainage and stormwater management systems shall be one-third (1/3) of the estimated cost of the permit prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website, and shall be applied to the permit fee if the permit is actually issued within six (6) months of the date of the application; otherwise, the permit application shall expire and the filing fee shall be forfeited.
- (2) Grading, Storm Drainage, Stormwater Management and Pollution Control Permit Fees: Fees for permits for grading, drainage, pollution control and other site work shall be based upon that site area disturbed due to land grading, clearing and construction. The grading permit fee shall be as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website and calculated based on square foot for disturbed land area as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. Fees for permits that include public and private storm drain and stormwater management systems shall include storm drainage and stormwater management

1 permit fees based upon ten percent (10%) of the construction cost of the work, as
 2 estimated by the Department. The estimated cost for this purpose shall not include
 3 the contingency allowances.

- 4 (3) Fee for Sediment Control Site Plan Review by Soil Conservation District for Area
 5 to be Disturbed in Excess of 5,000 Square Feet - Initial application fee shall be
 6 [One Hundred Dollars (\$100.00)] as prescribed in the Table of Fees, section 2-
 7 253.63, Attachment A and as published on the DPIE website. There is no fee
 8 required for plan review if the land shown in the submitted site plan to be
 9 disturbed is 5,000 square feet or less.

10 (A) Certification by Soil Conservation District (SCD) of field review in
 11 conjunction with Erosion and Sediment Control plan review: There is no
 12 certification fee required if the land to be disturbed is 5,000 square feet or
 13 less. Certification fee shall be [Two Hundred Dollars (\$200.00)] as
 14 prescribed in the Table of Fees, section 2-253.63, Attachment A and as
 15 published on the DPIE website for the first acre or portion thereof of land, in
 16 excess of 5,000 square feet, proposed to be disturbed in the submitted plan.

17 (B) Certification by SCD of field review in conjunction with SCD plan review:
 18 Certification fee shall be [One Hundred Dollars (\$100.00)] as prescribed in
 19 the Table of Fees, section 2-253.63, Attachment A and as published on the
 20 DPIE website for each additional acre not to exceed five (5) acres proposed
 21 to be disturbed in the submitted plan.

22 (C) Certification by SCD of field review in conjunction with SCD plan review:
 23 Certification fee for acreage in excess of five (5) acres shall be [Fifty Dollars
 24 (\$50.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A
 25 and as published on the DPIE website for each additional acre.

26 (D) Concept Sediment Control Plan will pay a flat fee of [Three Hundred Dollars
 27 (\$300.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment
 28 A and as published on the DPIE website. All subsequent site development
 29 plans shall pay one-half of fees required in Section (3)(A), (B) and (C)
 30 above.

31 (E) Certification by SCD of field review in conjunction with SCD plan review:

Certification fee for acreage in excess of 300 acres shall be prorated based on actual costs of review by SCD in excess of the revenue received from the sediment control fees imposed for the first 300 acres of the subject. Mining and landfill areas in excess of 500 acres shall be prorated.

(F) The fee system imposed in this Subsection shall conform to the provisions of Section 4-103(c) of the Environmental Article, Annotated Code of Maryland.

- (4) Bond Reduction Fee. A [Two Hundred Fifty Dollar (\$250.00)] nonrefundable fee as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website for administrative expenses shall be paid for each request for a partial release of the monies posted as guarantee pursuant to Section 32-135 of this Code.
- (5) Bond Recall Fee. Whenever the Director requests payment of monies posted as guarantee pursuant to Section 32-135 of this Code, a [Two Hundred Fifty Dollar (\$250.00)] nonrefundable fee as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website for administrative expenses shall be paid.
- (6) Fee for Modification of Permit. Except for stormwater management facilities, the fee for processing a minor modification of a permit or application shall be a minimum of [One Hundred Dollars (\$100.00)] that as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. If an extensive plan review is required, the fee shall be sufficient to offset the cost of plan review and services as determined by the Director.
- (7) Refunds. Except for stormwater management facilities, in any case where permits have been issued and no work has begun hereunder, the person who has paid the fee for said permit may return said permit for cancellation, and, upon the cancellation thereof, there will be refunded to him/her the amount of said fees less the actual expenses (not to exceed fifty percent (50%) of the fee paid, but not less than the filing fee) incident to the issuance of said permit as determined by the Director; provided the application for such refund shall be made within six (6) months after the issuance of said permit, after which time no refund may be made.

No filing fee of any kind shall be refunded.

- (8) Stormwater Management Facility Plan Review Fees. The fee for review of stormwater management concept plans, public and private storm drain systems, and public and private storm drain pipes shall be as prescribed in the Table of Fees. The fee for special drain permits shall be [One Hundred Dollars (\$100.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website per connection. The fee for major revisions shall be 25% of the original permit fees. The fee for minor revisions shall be [One Hundred Dollars (\$100.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. If a storm drain permit is not obtained within a twenty-four (24) month period after technical approval of the plans, a fee [of One Hundred Dollars (\$100.00)] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website shall be charged for updating the plans. The fee for as-built submittals shall be as prescribed in the Table of Fees. The review fee charge for tax-exempt properties, including non-profit organizations, and churches shall be one half of the fees recited in this subsection. All Prince George's County affiliated public services, chartered cities and municipalities will not be charged.

* * * * *

- (11) Floodplain Review and Service Fees: Review of floodplain study performed by Engineer/Consultant shall be [\$0.50 per linear foot of stream within the property plus \$200.00 per structure and \$50 for setting floodplain elevation with no study] as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. For conducting the floodplain study using the County's GIS based floodplain models and providing floodplain information to the public shall be \$2,500.00 for existing channel condition only, \$3,500.00 for both existing and proposed channel conditions, \$250.00 for a single lot and \$50.00 for any floodplain inquiry.

(b) Extension. Prior to the expiration of a grading permit, the permittee may present a written request for an extension to the Director. If an extension is warranted, it may be granted in one year increments, one year at a time. Extension fees for grading shall be calculated at the same rate as permit fees, and based on the amount of site area that has not received final inspection approval as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. Extension fees for storm drain, stormwater management (private and public systems outside the public right of way) shall be calculated at twenty-five percent (25%) of the same rate as the permit fee as prescribed in the Table of Fees, section 2-253.63, Attachment A and as published on the DPIE website. Extension fees for road construction included in a grading permit shall be calculated in accordance with Section 23-122 of the County Code. The applicability of bonding requirements shall be adjusted accordingly. Application for permit renewal and extension shall be made at least sixty (60) days prior to the permit expiration date.

SECTION 3. BE IT FURTHER ENACTED that the provisions of this Act are hereby declared to be severable; and, in the event that any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this Act is declared invalid or unconstitutional by a court of

competent jurisdiction, such invalidity or unconstitutionality shall not affect the remaining words, phrases, clauses, sentences, subparagraphs, paragraphs, subsections, or sections of this Act, since the same would have been enacted without the incorporation in this Act of any such invalid or unconstitutional word, phrase, clause, sentence, paragraph, subparagraph, subsection, or section.

SECTION 4. BE IT FURTHER ENACTED that this Act shall take effect forty-five (45) calendar days after it becomes law.

Adopted this 13th day of September, 2022.
