Article 35 – Buildings and Housing
Title 6 – Rental Housing Licenses
Baltimore County Code, 2015

WHEREAS, the purpose of the Rental Housing title is to create an additional procedure for the enforcement of county codes and regulations in order to protect and promote the public safety, health, and welfare; and

WHEREAS, the rental housing license program seeks to reverse the physical decline of areas of the County that have a high number of rental properties, older rental properties, high crime rates, or experienced a significant shift from single family owner-occupied homes to multiple family rental properties; and

WHEREAS, many previously owner-occupied homes in neighborhoods and communities in the County, particularly those in proximity to college campuses, have seen significant turnover to investment purchasers and increases in the number of rental properties, specifically those with unrelated renters that operate illegally as boarding and rooming houses according to the definition set forth in the Baltimore County Zoning Regulations without required County approvals and use permits; and

WHEREAS, the County Council recognizes that the Department of Permits, Approvals, and Inspections is in need of statutory authority to collect and hold certain information as to the identity of residents in rental properties and to inspect rental properties so as to properly regulate these properties and fulfill the stated purpose and goals of the Rental Housing title; now therefore
