**Natural Resources, Department of**

**Proposed Regulation**

**DLS Control No. 26-008**

**Department of Natural Resources: Boating:**

**Boat Dealer License: COMAR 08.04.09.01**

According to the department, the purpose of this action is to update the annual license fee for a boat dealer. The proposed action increases the fee from \$25 to \$50. During the 2025 Maryland Legislative Session, the General Assembly passed House Bill 719. The bill was signed by Governor Moore, became effective October 1, 2025 (2025 Md. Laws, Chap. 433), and requires the Department to set the license fee at an amount not to exceed \$50. The increase in the fee reflects the increasing costs for the Department to do business.

**Maryland Department of Health**

**Proposed Regulations**

**DLS Control No. 26-006**

**Maryland Department of Health: Board of Nursing:**

**Examination and Licensure: COMAR 10.27.01.01, .05, and .10**

According to the department, the purpose of this action is to (1) align the Board's English Language Proficiency (ELP) requirements with the examinations recognized by the U.S. Department of Health and Human Services); (2) prohibit a health occupations board from requiring an applicant to provide additional evidence of English proficiency if the individual holds a valid, unrestricted license, certification, or registration from another state that requires such evidence for licensure, certification, or registration; and (3) establish an alternative pathway for endorsement applicants applying for registered nurse licensure; pursuant to House Bill 19/Chapter 416 of 2025, Health Occupations - Nursing - Loan Repayment, Education, and Sunset Extension (Building Opportunities for Nurses Act of 2025), and Senate Bill 72/Chapter 732 of 2025, Health Occupations Boards – English Proficiency Requirements and Licensure by Endorsement for Nursing.

**Proposed Regulations**

**DLS Control No. 26-009**

**Maryland Department of Health: Board of Nursing - Certified Nursing Assistants:**

**[Medication Technicians – Vacant] Certified Dialysis Technicians:**

**COMAR 10.39.06.08 and .10**

According to the department, the purpose of this action is to make slight alterations relating to requirements for continuing education for certified dialysis technicians, and clarify the continuing education course approval process, ensuring proper training for applicants seeking certification under these regulations.

**Proposed Regulations**

**DLS Control No. 26-011**

**Maryland Department of Health: Fiscal:**

**Local Health Services Funding: COMAR 10.04.01.01 and .04**

According to the department, the purpose of this action is to (1) clarify the scope of this chapter relating to the annual appropriation for local health services which is based on the annual formula adjustment in accordance with Health-General Article, §2-302(b), Annotated Code of Maryland; and (2) amend the current requirement for local matching funds, effective for Fiscal Year 2027, pursuant to the 2024 Joint Chairmen’s Report.

This proposal caps the local share match requirement to the annual formula adjustment plus 10 percent of the prior year's local share match requirement. This proposal also gives the Secretary of Health the authority to approve requests for one-time reductions in the local share match requirements beyond this recommended cap to allow for additional time to adjust to large increases in their individual requirement.
